Homework for KS4

- In **Year 10** pupils will be set homework that follows the same systems and structures as in Year 7-9 (using the Homework Pages; self-quizzing; tested during the Retrieval part of the lesson as specified.)
- However, there is no set timetable for when to set homework to allow teachers at GCSE to be responsive to the curriculum and set homework at the most appropriate moments. Teachers, however, will be mindful of pupils' health and well-being and not apply unrealistic timeframes for when homework is due.

Frequency:

- Once per week- English, maths, R.E and Spanish
- Once per fortnight- all other subjects

• In **Year 11**, pupils will follow the Mount Carmel Revision Programme.
