Homework for Key Stage 4

- In **Year 10** pupils will be set homework that follows the same systems and structures as in Year 7-9, using the homework booklets.
- However, there is no set timetable for when to set homework to allow teachers at GCSE to be responsive to the curriculum and set homework at the most appropriate moments. Teachers, however, will be mindful of pupils' health and well-being and not apply unrealistic timeframes for when homework is due.
- As at Key Stage 3, pupils will be quizzed in lessons on the specified sections of the homework booklets.

Frequency:

- Once per week- English, maths, R.E and Spanish.
- Once per fortnight- all other subjects
- In **Year 11**, pupils will follow the Mount Carmel revision programme and should be set revision as homework.
