A Family of Faith & Learning

Mount Carmel RC High School, Accrington.

1. Context of the Policy

“The celebration of Catholic liturgies and prayers are an integral part of learning and teaching should enable the school community to become reflective, experience the presence of God, and develop a mature spiritual life.” — Marcus Stock (2012), Christ at the Centre, Catholic Truth Society

- a) Prayer and liturgy are central to the life and mission of our Catholic school. They provide the foundation for spiritual growth, community identity, and the expression of our faith in Christ. Through a variety of prayerful experiences, personal, communal, formal, and spontaneous, we seek to nurture the spiritual development of all pupils and staff.
- b) Our approach is rooted in the Catholic tradition, the liturgical calendar of the church and guided by Church teaching and more recently as included in ‘Love You More Dearly’ published by the Bishops of England and Wales (2023).
- c) Our school liturgical calendar is reviewed and updated annually, follows the seasons of the Church year and marks Holy Days of Obligation, key feast days, CAFOD foci, charity events, eco activities, collaborative liturgies with local primary schools. These celebrations root us in Catholic tradition whilst connecting us to ‘our common home’, the wider Church and local community.
- d) We also recognise the unique and multi-faith nature of our school, including the presence of pupils from the Islamic tradition and other faiths. Inspired by the legacy of the late Pope Francis, particularly his emphasis on dialogue and fraternity, we promote interfaith respect, shared values, and opportunities for encounter, ensuring that all feel included, respected, and spiritually supported.

2. Statement of Requirement

The law requires all maintained Catholic schools to provide an act of daily collective worship (prayer and liturgy) for all pupils, including those in the sixth form (Section 70, 1988 Education Act). This must be in accordance with the rites, practices, disciplines, and liturgical norms of the Catholic Church (School Standards and Framework Act 1998, Schedule 20; Instrument of Government, Clause 2).

Academies in England are required by their funding agreement and Articles of Association to comply with similar requirements (The Mainstream Academy and Free School: Supplemental Funding Agreement, December 2020; Model Articles for Catholic Academies, February 2019).

Parents have the legal right to withdraw their children from prayer and liturgy up to the age of 16 (School Standards and Framework Act 1998, s.71(1A)). Sixth-form pupils may choose to withdraw themselves (s.71(1B)).

Prayer and liturgy are not part of curriculum time for Religious Education but are essential elements of the Catholic ethos of the school.

- a) We ensure daily form time prayer and weekly assemblies are an act of daily worship, prayer and reflection for all pupils. We regularly celebrate the Eucharist in school and local parishes.
- b) The liturgical seasons of the church are marked and celebrated with year group celebrations of the word. Overall, our provision fosters a living faith that reflects the school mission statement and Catholic Social Teaching.
- c) At the same time, we are committed to recognising and respecting the faith backgrounds of all pupils, fostering an ethos of welcome, interfaith dialogue, and shared values.
- d) At times of prayer and worship pupils of other faiths or no faith are expected to join in if possible but if not, be respectful and show reverence by being still and silent.
- e) Prayer and worship are not confined to designated moments; they permeate the life of the school, shaping its ethos and guiding its mission in service of the Gospel.

While rooted in Catholic faith and practice, we also recognise and value the religious diversity of our community. Prayer and liturgy permeate school life and shape our mission to form young people who are spiritually aware, morally responsible, and open to the love of God.

A summary of information is shared with the governors' Catholic Life of the School committee.
