SCHOOL AWARDS EVENING

Thursday 13 JULY 2023
7.00pm

Guest Speaker

Mr Clegg Bamber, MBE
Former Pupil

Clegg Bamber MBE

Former Mount Carmel pupil, Clegg, was honoured with an MBE in the 2021 Queen's birthday honours list for his services to education. Clegg was recognised for his work with Anna Miles founding the Red Box Project which provided free period products to schools.

Clegg and Anna started the Red Box Project when Clegg was in his final year at university after discovering that period poverty wasn't just an issue in lower to middle income nations but that it was also experienced by as many as 1 in 10 young people in the UK.

The pair decided that action needed to be taken, and with the support of over 600 volunteers, the Red Box Project supported more than 5,800 schools and colleges across the UK with access to free period products. The project has expanded globally and supports young people in Moldova, Poland, US, Ireland, Hong Kong, Japan, India, and the Isle of Man. The project also inspired a community scheme in Tanzania.

In 2019 the charity launched a legal campaign against the Government which resulted in securing a policy change. The new policy meant that from January 2020 all schools and colleges had access to free period products, paid for by the Department for Education.

Clegg currently works as a Senior External Affairs manager for a government agency who direct funding for research and innovation. He is the Director of the Free Periods campaign and co-founder of the Red Box Project.

7A Francesca Aquilina

Francesca is a wonderful pupil who is a well-deserved recipient of the role model award for 7A. Each day Frankie makes us proud through her dedication to school life. She has a fantastic attendance record, 383 achievement points and a perfect behaviour record. She consistently sets her sights on her goals and works tirelessly to achieve them. As well as her fantastic work ethic, Frankie is extremely caring and trustworthy and will be seen supporting others whenever possible. She gets involved in all aspects of Mount Carmel life, continuing to inspire others each day, whilst wearing her infectious smile. Well done Francesca!

7R Poppy-Jo Johnstone

Poppy is a delightful student who always gives her best in all situations. She hasn't had any behaviour points all year and is one of the most hard-working pupils in form. Poppy always goes about her day without any fuss and is always polite and friendly.

It has been great to hear that Poppy is taking part in the school show this year and I have no doubt she will continue to take part in many aspects of school.

I have no doubt Poppy will be successful as she moves into year 8 and beyond. Well done!

7M Liam Brassington

Liam has shown that he is a conscientious and caring member of the Mount Carmel community. He has an excellent attendance and punctuality record, and always starts the day with enthusiasm and good humour. He is invariably the first to contribute to charity collections and has brought in multiple contributions for the Food Bank Bingo. He works hard in every lesson and his behaviour is exemplary both in class and around school. He is also quick to volunteer to help and made a great contribution to the 7M sports day team. All these attributes make Liam an outstanding role model in Year 7.

7E Charlie Woods

Charlie is a delight to have in 7E. He's a helpful, kind and caring member of the form who goes above and beyond to help his peers. He always works really hard and always has smile on his face. Charlie has a fantastic attendance record, and has amassed almost 300 achievement points! Well done, Charlie!

7L Isabelle Smith

As a form representative, Isabelle regularly gets involved with activities and any school events which are taking place. She always comes to school with a smile on her face willing to do anything for anyone. Isabelle is a pleasure to have in form 7L and I have no doubt that she will continue to thrive and be successful during her time at Mount Carmel.

ROLE MODEL AWARDS

YEAR 8

8C Megan Birch

Megan is always polite, kind, smiling, extremely charitable and quietly gets involved with all form time activities. Megan puts 110% into everything that she does both in lessons and outside of lessons. She has an impeccable attitude towards school life. I know Megan will continue to be a massive success here at Mount Carmel and it is a pleasure to have her as part of 8C.

8A Joe Graham

It is such a pleasure to have Joe in our form! This year, Joe is a Sports Rep; he also regularly helps me out with other roles and reads out the morning prayer at the end of form. Joe is always willing to get involved in extra-curricular activities and represent the school. His uniform is always impeccable. He is punctual, organised and polite. Joe is an excellent role model for the other pupils in year 8 and a very valued member of 8A.

8R Cole Holmes

Cole has been an outstanding member of 8R and year 8 as a whole. His work with the school council, along with Malayeka, has been second to none. He has performed his duties excellently, gathering information for discussions and then informing his peers of the upcoming changes. He's had to stand in front of the form and present with confidence when representing the council. He has also shown respect to the Catholic ethos of the school by reading the morning prayers. Along with his political work he also found time to represent the school as part of the glow in the dark dodge ball team. Cole's hard work doesn't always get noticed as he just takes everything in his stride which is why I wanted to nominate him as the form role model.

8M Oliver Jenel

Oliver is a valued member of 8M. His has a great attendance record and he is always on time. Oliver takes part in form activities and discussions, whilst also participating in the wider life of school such as 'take your child to work day' and sports day. Oliver is our form representative for literacy and regularly attends meetings to represent his peers' views. Oliver also actively takes part in the Catholic life of the school. He regularly participates and leads in form time prayer, and more recently was confirmed with some of his peers at St Joseph's Church.

Oliver is a great role model and is a pleasure to have in my form. I know he will continue to grow and develop into a fantastic young person and continue to make our form proud.

8E Lucas Leyland

Lucas is a well-liked and popular member of 8E. He currently has 164 achievement points and has not received a single behaviour point this academic year. He is our form's Sports Rep and has represented MC in many extra-curricular activities. It is a pleasure having such a well-mannered, and humorous young man in our form and he really takes pride in being a model pupil. Well done Lucas!

8L Hannah Haworth

Hannah is our form Charity Rep and she is committed to ensure our form engages in all whole school charitable events. Her attitude, effort and presence within the form is an inspiration to all as she gives 100% in everything she is asked to do. She is also often the first to offer to help out with any tasks. Her uniform is consistently impeccable and she turns up to form with a smile on her face and a positive can-do attitude every day. Well done Hannah!

He is a pleasure to have in my form.

9A Ella Duckett

Ella is truly an example of the values that make Mount Carmel such a special community to belong to. She clearly takes pride in her personal development in all areas of her life. In school Ella sets an example in her classes, consistently impressing staff as she has amassed

134 achievement points. She demonstrates maturity and she makes good decisions consistently. Outside of school, Ella is a role model to her peers by being a dedicated young athlete and one of our year group's most accomplished footballers. Whilst Ella's achievements - both academic and sporting - are eye catching, what sets her apart is the humility with which she conducts herself. She always has time and a smile to talk to any of her peers or staff every day. With grit, determination, compassion and kindness, you are a role model to us all Ella. Never change, we are all proud of you.

9R Lilia Berry

Lilia is a great role model for everyone at Mount Carmel. She has great attendance at school and is never late. She is always smiling during form time and is incredibly polite to staff and pupils. Lilia takes part in the buddy readers scheme and is always willing to help others. Lilia has the perfect attitude towards learning and always gives maximum effort in everything she does. I am confident Lilia will continue to be a leading example to her fellow pupils in school and will continue to be a massive success here at Mount Carmel. Lilia is a credit to herself, and it is a pleasure to have her in 9R.

9M Theo Crawshaw

Theo is a perfect example of a role model at Mount Carmel. He has 163 achievement points and no behaviour points. ROLE MODEL AWARDS

YEAR 10

10C Summer Britland

Summer is an absolute pleasure to have in my form. She is always the first one into form room and is always positive and greets me with a smile. She works hard around school and numerous teachers have been to me to praise her for this work ethic. Her confidence and her attitude is admirable and she is one of the most inspirational people I have ever met. I feel privileged to be her form tutor.

10A Hannah Southworth

Hannah joined us at Mount Carmel this year and has settled in exceptionally and it feels like she has always been a part of 10A. She is a very well-mannered and polite pupil, who excels around school and can always be found expressing herself artistically. Many times in form, I see her drawing and what she produces is outstanding. Hannah is the perfect example of how to get your head down and do well for yourself. I look forward to seeing Hannah thrive in year 11 and set herself up for a very bright future.

10R Elecia Richardson

Elecia is a great example of a Mount Carmel role model. Elecia presents herself brilliantly in school and is a fantastic form captain, voted for by her peers. She has a perfect attendance and punctuality record and many achievement points. Elecia is kind, considerate, polite, hard-working and courteous. She always gets involved in extra jobs around school helping out at events such as parents' evenings and open evening, and she is a great ambassador for us. What I am most proud of is how Elecia has flourished and grown in confidence over the last year, and she has really thrown herself into everything she can. From a quiet, shy and reserved pupil in year 8 to a confident and mature young lady in year 10. I am positive that Elecia will continue to be a great role model and achieve good things both in her GCSEs and outside of school. Thank you, Elecia, for all that you do!

10M Mehraab Shah

Mehraab is a credit to our form. Her enthusiasm for school is admirable and her willingness to help shines every day.
