Dear Parent/ Carer

Re: Year 7 and 8 Science KS3 CPG Knowledge Organisers

During science lessons, pupils have access to Science CPG Knowledge Organisers. These are compact and accessible revision guides aimed at helping pupils learn the core content they need to succeed in half termly topic tests and end of Year Examinations.

Many pupils find that they are very useful to have at home, as these really help them learn the content required for test and exams.

The CPG Knowledge Organisers are available to purchase through school at a reduced price of **£4.25** (£2.15 for Pupil Premium) - (normal retail price is £7.50). This price includes an additional resource called a Knowledge Retriever, pupils can use this book to practise writing out their knowledge on each topic, with a copy of the information, with sections blanked out. This is a proven revision strategy, which helps pupils to make progress.

If you would like to purchase the revision guides through school, please purchase using your on-line scopy account via the online School shop.

If you have any questions please email Mrs Bancroft (jbancroft@mountcarmelhigh.lancs.sch.uk) or me (shaworth@mountcarmelhigh.lancs.sch.uk).

Yours sincerely

S Haworth
