

Dear Parents and Carers,

Welcome back to Term 5. I hope you had a lovely two week break and enjoyed some sunshine when it did decide to appear! The children have come back to school very well, we have had a very calm week full of great learning and attitudes. We have started new topics and our new value for the term is bravery, hopefully your children have come home excited to talk about what they have been doing.

In assembly today we celebrated our first children of the term who have achieved the certificate of excellence or the values award in their class.

Year 5 won the **attendance award** this week with 96%, a great start to Term 5.
A big well done to everyone for a fabulous first week back!

Friday 19th April 2024

Value of the Term – Bravery

This term is a very important term for a lot of our children as they take statutory assessments. Year 6 will sit their SATs tests the week beginning 13th May, Year 4 have their multiplication tables check, Year 2 have their SATs tests and Year 1 the phonics screening check. Attendance in school is so important so the children do not feel they have missed any of the preparation, and are confident in their abilities, we are proud of all of our children in the way they are managing these assessments.

Please can I remind you that children should be wearing sensible footwear at all times for their safety. Crocs and shoes with heels are not permitted in school for this reason. Thank you for your cooperation.

Thank you for your ongoing support with your children's education. Please remember we are here to support in any way we can, give us a call, email or pop in at any time.

Wishing everyone a lovely, restful weekend!

With best wishes,
Mrs Helen Wollington
Headteacher
