Value of the Term – Responsibility

Dear Parents and Carers,

We have had a fabulous week in school with lots of great learning going on across the school with our new topics and values in every classroom. It has been great to see the immersive studio coming to life with new learning experiences too. Year 6 have been amazing this week completing their mock SATs papers, we are very proud of them and their achievements.

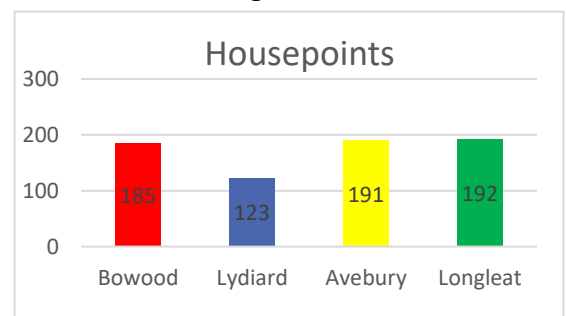

We now have our community bike library in place, we have 20 bikes that will be available for you to borrow as a family over a weekend or during the half-term break. We have 2 adult sized bikes and 18 bikes of different sizes, look out for more information coming out soon of how you can loan the bikes.

We have celebrated these children in assembly today for achieving the certificate of excellence or the values award for their class:

Our attendance winners this week are Year 6 with an amazing 99.2%. Well done everyone! These children have received their 50 reads prize and chosen a book from the vending machine this week: David and Nadim in Reception, Miya, Anastasia, Leo and Freddie in Year 2.

Our housepoint winners of the week as shown in the graph are Longleat. As you can see, another very close contest this week. The running totals are mounting up and we will see who the Mountford winners of the term will be at the end of this term.

Reminder – Kirk Anderson is a well-known and highly respected specialist nurse who supports children and families with Autism. He is coming into school on Friday 31st January to do a talk for parents and carers from 9:30-11:30 on managing challenging behaviour. This is a one-off opportunity so pop the date in your diary and come along to listen to what he has to say.

We also started our new positive playtime project this week, look out for more details and news around how that is going soon!

Stay safe and have a lovely weekend.

With best wishes,
Mrs Helen Wollington
Headteacher

PINS PARENT STORIES

Your school is part of the PINS project.

PINS stands for Partnership for Inclusion of Neurodiversity in Schools.

It provides an opportunity for families, schools, parent support forums and health providers to work together to support neurodivergent children.

We are going to send weekly ideas for home- that other parents have said have helped them- please contact us via school with any questions!
