

Dear Parents and Carers,

We have had a fabulous week in school; the children looked great and smiled sweetly for their class photos yesterday. Year 1 have worked exceptionally hard on their phonics screening tests this week; Year 4 have blown us away with their multiplication tables knowledge as they have completed their check this week too. Year 2 have started their SATs booklets and will be completing them over the next 2 weeks. We are proud of every one of them.

In assembly today we celebrated the children who have achieved the certificate of excellence or the values award in their class for the week:

Year 5 won the **attendance award** this week with a good 96%, we need to continue to work hard on our attendance as we know it has such a positive impact on children's outcomes in the future. Overall it has been low in school this week, please remember to let the school office know by 9:30am if your child is unwell and not able to attend school.

These children have gained their **50 reads prize** this week and enjoyed receiving their prize from the book vending machine: Eleanor, Ava and Hania in Reception. Anastasia, Deborah, Shaine, Freddie, Lucus and Aria in Year 1 and Fatou in Year 4.

A big well done to everyone for another fabulous week in school!!

Sports week reminder – from Monday 17th June until Friday 21st June the children will be taking part in sports activities and so need to come to school in **sports kit all week**.

We have an exciting week planned with lots of activities for the children to try different sporting skills:

Monday	Tuesday	Wednesday	Thursday	Friday
KS1 Cheerleading	Ultimate Frisbee	Jiu Jitsu Workshops – all year groups	Skip2befit workshops – all year groups	10am sports day followed by family picnic on the field
KS2 Fencing	Hockey inflatable on the field			

At sports day on Friday, you are welcome to bring chairs and picnic blankets to set up for the morning and picnic lunch. Please be considerate of other families around you. There will be two sets of racing tracks and some field events happening throughout the morning. You will be able to wander around to watch your children but please allow the staff to manage where your child is in order to keep them safe at all times. Fingers crossed for some sunshine on the day!

After you have finished your picnic lunch with your children, you are welcome to take them home with you but please sign them out with their class teacher. Safeguarding is our upmost priority at all times so we need to know when your child is on site and when they are leaving with you. Thank you for your cooperation.

I hope you all have a lovely weekend.

With best wishes,
Mrs Helen Wollington
 Headteacher
