Value of the Term – Cooperation

Dear Parents and Carers,

We have had a great week in school with some fantastic learning in all year groups but a special mention has to go to our Year 6 children who have smashed their Mock SATs this week! It is always a daunting experience and as much as we do it in as relaxed environment as possible, the nerves can get to them. But we are so proud of them for the way they have approached these, their resilience and determination has shone through and their results are amazing!

Thank you for supporting Comic Relief today, your generous donations mean that we will be sending £115 off to the charity who support people in the UK and across the world when they need help and support through baby banks, food centres, health workers and safe spaces when escaping from danger. Each class shared their 'best joke' in assembly, voted on by the school council, the winning class were..... Year 1!

We have celebrated these children in assembly today for achieving the certificate of excellence or the values award for their class:

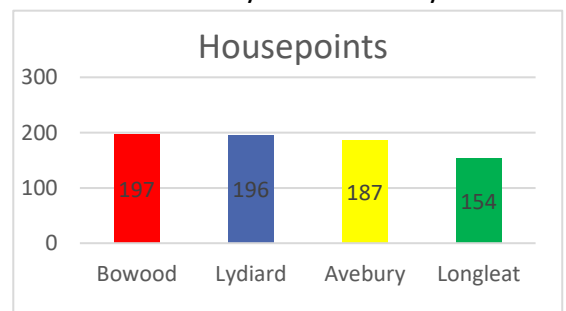

Our attendance winners this week are Year 6 with 94.8% . A little bit of a drop this week with attendance, please keep sending in your child when they are well and letting us know when they are unwell by 9am.

These children have received their 50 read prize this week, choosing a book from the vending machine: Rhyleigh, Shloane, Orla and Hridika in Year 1 and Lexi and Mehraj in Year 3

Our housepoint winners of the week, as shown in the graph, are Bowood. As you can see it was VERY close this week!

We also celebrated our mixed football team this week who played two fantastic matches, winning one match 5-3. They always put everything into their performances and we are very proud of them. Team photo below.

Value of the Term – Cooperation

Can I please ask you to be respectful and mindful of our neighbours when you park around the school, we have had several complaints recently from residents not being able to access their driveways or leave their homes due to parents parking. I am sure you can understand and appreciate how frustrating that must be. We also want to make sure the children are safe when walking to and from school at all times. Thank you for your cooperation with this.

We are looking forward to celebrating our mums and female Carers/ relatives next week at our afternoon tea event for those that have pre-booked.

Wishing you all a lovely, and safe weekend.

With best wishes,

Mrs Helen Wollington

Headteacher
