

Dear Parents and Carers,

I hope everyone enjoyed the longer weekend; it is a shame the sunshine only really appeared once we came back to school and work! Although we have had a slightly shorter week in school, it hasn't stopped the amount of learning and excellent examples of resilience and determination shown by the children across the school.

Year 6 have completed their final preparations and are more than ready to face the challenges of their SATs next week. We are all very proud of them and know they are going to try their absolute best. This weekend, they need to focus on having fun outside and not worry about what next week will bring.

In assembly today we celebrated the children who have achieved the certificate of excellence or the values award in their class for the week:

Year 2 won the **attendance award** again this week with a fabulous 98%, they are showing the rest of the school how it is done!

These children have gained their **50 reads prize** this week and enjoyed receiving their prize from the book vending machine: Taiya in Year 2, Harper, Jesse, Arisha, Arya, David and Connie in Year 3, Dominika in Year 4, Shaun, Ana-Beatriz and Gergana in Year 5

Another big well done to everyone for a super week of learning!

Mountford Manor Primary School, Bothwell Road, Swindon, SN3 3EZ

Friday 10th May 2024

Value of the Term – Bravery

With the warmer weather finally showing an appearance, please can you make sure your child comes to school with a named sun hat and cream applied every day. They also need a named water bottle every day, due to the importance of keeping hydrated in warm weather, we will happily refill their water bottles up if needed through the day. We will be making use of our outdoor learning spaces at all times, whilst ensuring the children are safe and not in direct sunlight for too long in the middle of the day.

Wishing everyone a lovely, sunny weekend. Enjoy the sunshine but stay safe!

With best wishes,
Mrs Helen Wollington
Headteacher
