

Dear Parents and Carers,

Wow! What a week we have had, the children have been A – MAZ – ING this week. The year 6 children have blown us away with their resilience and determination whilst completing their SATs tests. Whilst the rest of the school have shown fabulous values of respect and kindness to them by being quiet and helping give them the best chance of success.

You have the best children and we are so privileged to be able to work with them every day.

In assembly today we celebrated the children who have achieved the certificate of excellence or the values award in their class for the week:

Year 4 won the **attendance award** again this week with a fabulous 98%, the other classes were all close behind, showing that good attendance can happen right across the school – well done and thank you parents and carers!

These children have gained their **50 reads prize** this week and enjoyed receiving their prize from the book vending machine: Lexi in Year 5 and Oliver in Year 1.

The whole of Year 6 were given the certificate of excellence this week for their attitude and work ethic during the SATs testing.

Another big well done to everyone for a super week of learning!

Value of the Term – Bravery

You will have noticed from the diary dates that we are lucky enough to be having a free KS2 science show in school next week. On Monday they are going to be filming the show for their promotional reasons. This will involve our Year 3 and 4 children as they will be in the show at that time. If you do not wish for your child to be filmed or photographed as part of the show, please can you make sure school know this by Monday morning at the very latest.

We also have the author Tom Percival visiting on Monday giving a talk and bringing some books to share with the children. Hopefully, you will have seen a letter sent out today about a free cinema trip next Thursday for Years 1 to 6. All in all, next week is a busy but fun week ahead!

I am also delighted to tell you that we have been able to open our very own 'Food Hub' to support families when they need it. We all go through difficult times now and then but feeding our families is a priority that we all want to meet every day. The Mountford Manor Food Hub is located in our Family Support room and can be accessed by anyone at any time you need it. No judgements made, just bring along a carrier bag and fill it with whatever you need. In order to make this work, we are working on a 'Take what you need, leave what you can' basis, we have asked local businesses for donations and will continue to do this but if you are able to make any donations, they will also be gratefully received. We are a community and will continue to help and support each other.

Thank you for all the ways you continue to support us and your child in school. Wishing you a lovely weekend.

With best wishes,
Mrs Helen Wollington
Headteacher
