

Dear Parents and Carers,

We have come to the end of another fantastic term and I thank you all for all your contributions and support in giving your children the best possible platform to their learning. It was great to see so many of you at Thrilling Thursday yesterday, we had lots of great activities going on from building towers that turned into Christmas trees, space rockets, lighthouses and more, to planting seeds in the forest, to sculpting clay and much, much more! I hope you enjoyed it as much as the children did and you continue to be impressed by the progress they are making in their learning too.

The Year 6 children had a wonderful few days away on their Summer Stayaway at Hill End this week; some very tired adults and children arrived back to school yesterday after having a fabulous time camping out and exploring the outdoors. They enjoyed some well-deserved down time after all their hard work last week in SATs.

Another hard week for the teachers to choose who to celebrate in assembly, but we celebrated these children today for achieving the certificate of excellence or the values award:

Our attendance winners this week are Year 6 with a very good 97.1%, another fabulous week for attendance across the school, well done everyone!

Topic – Art Attack!

Value of the Term – Aspiration

These children have achieved their 50 read prize and have chosen their own book from the vending machine: George and Hania in Year 1 and Jesse in Year 4.

Our housepoint winners of the week, as shown in the graph, are Avebury. As we have come to the end of Term 5, our house winners for the term were announced today and show their badge proudly on the cup for the term, they are Avebury! As big well done to them and everyone for showing great values and learning behaviours all term.

We are having some building work completed in school which is due to start during the half term break and continue through term 6. There will be a safety zone area in place where children will not be allowed to ensure their safety at all times. You may also notice out the front of the school some builder's vans, lorries deliveries etc... it is even more important that the car park is not used for dropping off children especially in the mornings as that will be a very busy time for builders, contractors and deliveries taking place. Please keep to the designated footpaths and gates for everyone's safety. Thank you for your cooperation with this. The back of the school will not be affected in any way.

Term 5 seems to have gone by in a flash! I hope you all have a lovely bank holiday weekend and a restful half term break; I look forward to seeing all the children back in school on Monday 2nd June. Hopefully we will have some lovely, sunny weather to enjoy whilst we are off school.

With best wishes,
Mrs Helen Wollington
Headteacher
