

Dear Parents and Carers,

I can't believe we have come to the end of Term 5 already; it seems to have flown by so quickly! It has been a great term with lots of achievements made, the children have shown great values and that they are great ambassadors of our school.

It has been a busy week, we have had a science workshop in school where the KS2 children were involved in 'Ratlab', an author came to visit and a whole school trip to the cinema! Early Years have been having lots of fun too exploring their environments with games and activities inside and outside including in the forest!

In assembly today we celebrated the children who have achieved the certificate of excellence or the values award in their class for the week:

Year 6 won the **attendance award** this week with an outstanding 99%, 2nd and 3rd place were both at 98% so another great week for attendance – well done and thank you again parents and carers! Great attendance really does make a difference to children's academic achievements but also their mental health and wellbeing too.

These children have gained their **50 reads prize** this week and enjoyed receiving their prize from the book vending machine: Rhyleigh in Reception, Leo and Harlow in Year 2, Itsan in Year 3, Gracie in Year 4 and Ana-Clara in Year 6.

A super end to a fabulous term – well done everyone, I can't wait to see what Term 6 brings! 😊
