Value of the Term – Responsibility

Dear Parents and Carers,

We have come to the end of another fabulous term! It was great to see so many of you at 'Wonderful Wednesday' this week enjoying the activities and seeing the progress your children have been making with their learning. Your feedback and comments have been lovely to read as always.

It has been another busy week with lots of science activities going on including the Planetarium visiting school on Tuesday and workshops happening in school where children have been learning about habitats for insects amongst other exciting facts! We celebrated Safer Internet Day on Tuesday, the children have learnt lots of facts on how to keep them safe online, I know some parents learnt new things during Wonderful Wednesday too! We all use the internet in our daily lives as it is such a great tool, but it can have some safety concerns that we need to keep our children from.

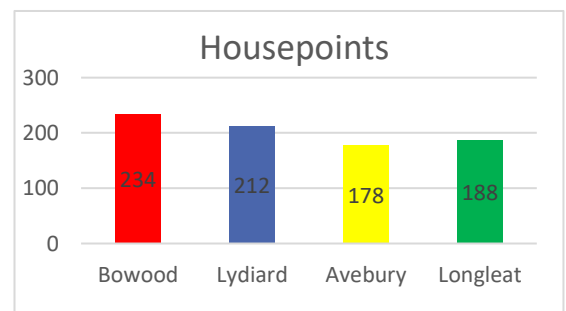

We have celebrated these children in assembly today for achieving the certificate of excellence or the values award for their class:

Our attendance winners this week, are Year 6 with 94.8%. It has been a very low week in school for attendance, the government expectation is for all children to be in school for at least 96% of the school year. Hopefully the break of half-term will stop the spread of these current germs and we can start Term 4 in good health and everyone in school and on time!

These children have received their 50 reads prize and chosen a book from the vending machine this week: Victoria, Zayyan, Amira and Arlo in Reception, Ava and Ianna in Year 1, Lorsch in Year 4, Ramla in Year 5 and Lexi in Year 6 – well done all of you!

Our housepoint winners of the week, as shown in the graph, are Bowood. The Mountford Manor House of the Term, goes to **BOWOOD** with an impressive 1845 total points scored– a big well done to you all!

Value of the Term – Responsibility

The girls football team played this week in a tournament and although it was a just for fun event, they were by far the 'winners' by winning 4 of their matches and drawing the fifth match. We are so proud of them and the commitment they show to their team and the resilience they show when playing in tournaments and matches – well done girls!

Wishing you all a wonderful half term break, we look forward to seeing all the children back in school on Monday 24th February.

With best wishes,
Mrs Helen Wollington
Headteacher
