

Pupil Premium 2015-16

Area of Support	Cost	Impact
ELSA (Emotional Literacy Support Assistants)	£2,000	Weekly, and where needed, daily ELSA sessions provided to students on a 1:1 basis ensured that pupils' emotional wellbeing and resilience were supported and developed.
Reading Recovery	£1,800	1:1 TA time supported pupils daily with a reading intervention programme designed to boost progress in reading. All participating pupils have made progress.
Swimming	£600	Pupils developed skills, fitness and an awareness of staying safe in the water.
Hydrotherapy	£1,900	Hydrotherapy has been increased and supported pupils' health, mobility and fitness. Twelve members of staff have been re-trained in Reach & Rescue ensuring that pupils can access the pool throughout the day.
Walking in the community	£2,000	1:1 or 2:1 support for regular walks formed part of a therapeutic and health programme for pupils.
Therapy – physio, SALT, OT, Sensory	£500	Staff were trained to deliver therapies and a range of therapies are available including rebound, hydro, colour and massage.
English & Maths Interventions	£1,000	Pupils that had been identified as needing interventions have all now made good or better progress in these areas.
Magdalen Farm	£2,357	Weekly visits to the farm helped develop self-esteem and confidence in working in the natural environment, trying new activities and team working. The ASDAN curriculum has been linked to this and ensures that pupils can now work towards awards and qualifications in this area.
Horse riding (lessons)	£2,478	Blocks of lessons for identified pupils. Pupils developed skill, fitness and empathy and had the opportunity to try a different sport.
Residential trips Magdalen/ Freshwater	£2,200	Two residential trips took place where pupils developed team-building, independence and communication skills. All pupils who attended, gained the John Muir Award.
Free School Milk	£100	
Total Funding	£16,935
