

## PRIMARY SPORT FUNDING 14/15

This grant is to be used to fund improvements to the provision of PE and sport, for the benefit of pupils aged 5-11, so that all pupils develop healthy lifestyles.

Schools are required to publish, on their website, information about the use of this grant. Mountjoy School received £10,325 for year 2014/15.

In PE, 60% of primary pupils made outstanding progress and 10% made good progress.

RESOURCE	COST	IMPACT ON PUPILS' PARTICIPATION IN SPORT AND PE
<b>PE Co-ordinator release time</b>	£2,000	This enabled the co-ordinator time to plan and organise sport and fitness programmes for groups of pupils. To organise inter-school events and to liaise and meet with the Community Sports Group within the Beaminster campus.
<b>PE equipment</b>	£2,365	Specific resources were purchased to enable physical activity throughout the primary department including, mini-trampoline in the Early Years/Key stage 1 class and an all-weather table tennis table. Further resources were purchased to both enrich and enhance the PE curriculum.
<b>Inter-school Sports Competitions including:</b> <ul style="list-style-type: none"> <li>- Cricket festival</li> <li>- Commonwealth games event</li> <li>- Beach festival</li> <li>- Football festival</li> <li>- Boccia competition</li> <li>- Dance festival</li> <li>- Fishing day</li> </ul>	£1,500	Students have had a number of opportunities to represent the school at inter-school sporting competitions. Whilst there has been a main focus on playing the sport, learning the rules and developing new skills. There has also been an emphasis on working as a team, developing a sense of belonging to a team, developing communication, self-esteem and confidence.
<b>Enrichment Activities:</b> <ul style="list-style-type: none"> <li>- Group games</li> <li>- Swimming</li> <li>- Horse riding (RDA)</li> <li>- Lifeguard hire (hydro-pool)</li> </ul>	£1,500	A variety of sporting, fitness and healthy activities have been offered to pupils throughout the year. These have all been focused on engaging pupils into healthy lifestyles and making good choices about their health. These activities have given pupils the opportunity to work within different groups of pupils and to try new activities. Pupils have developed in confidence, self-esteem and have actively chosen these activities to take part in.
<b>WOEC (Weymouth Outdoor Education Centre)</b> 12 pupils Key stage 2 <ul style="list-style-type: none"> <li>- Caving</li> <li>- Climbing wall</li> <li>- Orienteering</li> <li>- Kayaking</li> </ul>	£1,440	Pupils within Key Stage 2 were given the opportunity to experience new outdoor and adventurous activities. Pupils were encouraged to work with different students, to develop team working skills, communication skills and develop perseverance and determination when mastering a new physical challenge. All pupils were able to develop physical skills in new activities including climbing wall, kayaking and caving.
<b>Health and Fitness Week (Feb 2015)</b> <ul style="list-style-type: none"> <li>- Life Education Bus</li> <li>- Smoothie bike hire</li> <li>- Fruit for smoothie bike</li> <li>- Action van</li> </ul>	£670 £350 £100 £400	Super-learning week provided pupils to explore health and fitness throughout a dedicated week. Working together to explore how their body works, the affects exercise has on the body. Making healthy choices with food, drugs and alcohol. Pupils were able to try a range of sport activities including bench ball, dance and tennis among others. Learning the skills and rules involved and developing team work.
<b>TOTAL</b>	<b>10,325</b>
