

Year 9 PE Curriculum Sequence

Subject Intent: Our PE curriculum, through a stimulating and enjoyable programme of study and enrichment opportunities, enables all students to build a love and appreciation for physical activity, so they confidently participate in exercise beyond school and lead and maintain a healthy active lifestyle in adulthood. Leadership development is threaded through all aspects of our curriculum to create articulate and confident young people who make a positive contribution to their community.

	Autumn Term	Spring Term	Summer Term
Big idea/Theme	<p>Invasion Games (Rugby, Netball, Football)</p> <p><i>Tactical application and awareness</i> Leadership Thread: Respect</p>	<p>Dance Net/Wall Games (Tennis & Badminton) Fitness</p> <p><i>Tactical application and awareness</i> Leadership Thread: Confidence & Resilience</p>	<p>Striking & Fielding (Rounders & Cricket) Athletics</p> <p><i>Tactical application and awareness</i> Leadership Thread: Effort</p>
Knowledge that needs to stick	<p>Netball: Footwork (1, 2 stuck like glue), positioning (Only G's allowed in the D's) 3 types of passes (chest, bounce and shoulder). Rugby: Backward passing across the body. How to score a Tri, the defensive wall and what is classed as "offside". Badminton: How to start a badminton game - underarm/backhand serve. Court lines for singles/doubles to identify what is classed as in and out. Football: Instep of foot when passing, eyes up to move into space. Body position when shooting. Dance: Unison & Canon. What a motif is. Musicality- counts of 8 Tennis: Coordination skills, rules surrounding the serve and court lines (singles/doubles), basic techniques of the ground stroke and serve. Fitness: How to measure resting heart rate and maximum heart rate. The stages of a warmup and cool down (why?) The short and long term effects of exercise on the body. Athletics: Health and safety of events, the components of fitness required to be successful. Striking & Fielding: The different techniques for throwing (over/underarm), the positioning and action required when batting.</p>		
Demonstration of Knowledge (Assessment)	<p>All students complete a core task at the start of each topic. They will then self-assess against the HEAD, HEART and HANDS grid. Throughout the block of work the teacher with adapt and condition learning to support and challenge individuals. Pupils will then re do the core task and self-assessment.</p>		
Links to key stage 2/ prior knowledge needed	<p>Badminton: Diagonal serving, areas of the court. Basic scoring. Coordination of the underarm serve. Technique of the overhead and the development of power. Rugby: Development of gross motor skills, understanding of attack and defence in team sports, previous experience with tag rugby. Attacking and defensive lines. Passing the ball with the correct technique. 3-man drive. Football: Developed basic football skills, basic principles of attack and defence.
