Dear Parent/Carer

During the Autumn term all students in years 7, 8 and 9 were assessed in English, Maths and Science using Global Learning (GL) Assessment Progress Tests. These tests gave us a baseline for understanding students' learning starting points at the beginning of the school year.

Next week all students in years 7, 8 and 9 will be re-assessed using GL Assessment Progress Tests. These tests will support us in tracking year-on-year progress in core subjects and identifying any learning gaps.

Year 7 are sitting their assessments in English and Maths in the Sports Centre at 1:30pm on Monday 4<sup>th</sup> and Tuesday 5<sup>th</sup> July.

Year 8 are sitting their assessments in English, Maths and Science in the Sports Centre at 11am on Monday 4<sup>th</sup>, Tuesday 5<sup>th</sup> July and Wednesday 6<sup>th</sup> July.

Year 9 are sitting their assessments in English, Maths and Science in the Sports Centre at 9am on Monday 4<sup>th</sup>, Tuesday 5<sup>th</sup> July and Wednesday 6<sup>th</sup> July.

Each test lasts for 1 hour 15 minutes. **Students do not need to undertake any additional revision at home for these assessments.** However, you may wish to talk to your child about the schedule for the GL assessments, in order to help prepare them for the experience.

Yours faithfully
