

An Active Learning Trust School

Destination Summary

2021

Destination Data 2021

Year 11

- All students use impartial careers guidance to make choices about the next stage of their education, employment or training. A series of events throughout KS3 and KS4 provide students with careers education, engage students with local employers and training providers as well as universities – see Calendar of Events for specific details.
- The % of students progressing into further education, apprenticeships or employment with training is 95% currently prior to destination checks in November 2021. Very small numbers have gained apprenticeships. This is due partly to local availability for 16 year olds.
- All Year 11 students apply for Post 16 placements directly to the provider
- All Pupil Premium students and Identified students from a risk of NEET indicator have a careers interview with our guidance advisor
- Identified students will also have supported visits to local Post 16 Colleges to ensure all students receive conditional offers
- All student applications are tracked throughout Year 11
- Following receipt of LA data for 2020, NEET numbers are low for Neale-Wade Academy at 2.8% and slightly higher than other Cambridgeshire schools in 2020.

To be updated November 2021.

Year 13

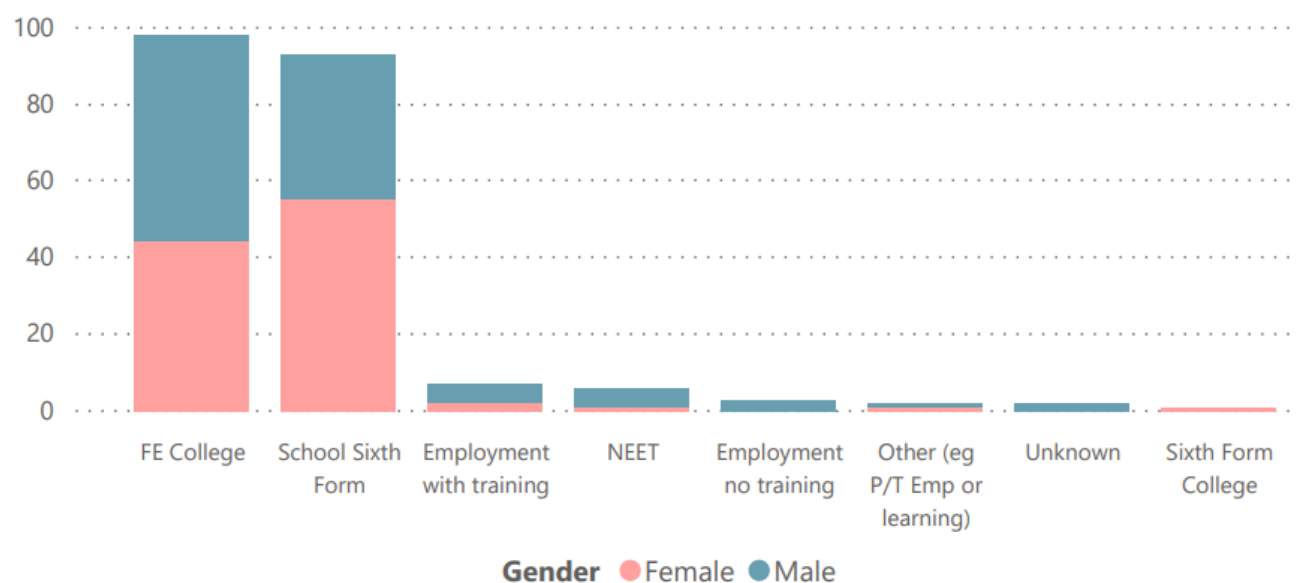

- 54% of learners progressed on to higher education after their study programme with 7% attended Russell Group universities.
- Most students (over 90%) complete their study programmes with qualifications relevant to their career aims and move into education, apprenticeships or employment
- A higher number than normal (16%) have chosen to defer a year and apply to university for 2022, many citing the pandemic as a reason.
- As of October 2021, 7% of students have unknown destinations.
- All Year 13 students and any Year 12 leavers receive high quality impartial careers advice that enables them to make well-informed decisions about their future plans.
- A range of activities are offered to students to support entry to both HE, apprenticeships and employment including personal statement and CV writing
- Students in Year 12 undertake work experience to support preparation to their chosen next steps – this was limited this academic year with a mixture of live and virtual programmes.
- The number of students progressing onto apprenticeships is increasing.

To be updated November 2021
