Dear Student

It has been great to see how well you have adapted to the move to online/remote learning over the previous 5 weeks. I have been fortunate enough to drop in on many of your online lessons and have been nothing but impressed by the level of interaction and engagement that you have shown.

I do know that some of you have raised queries about having work marked and when subjects will set assessed tasks.

Please find attached a copy of the Year 9 marked and assessed work overview for the Spring term. This will give you a clearer understanding of which tasks will be formally marked and assessed by your teacher and the date that they are due to take place.

If you have any queries relating to a specific subject, please direct them to your class teacher who will be able to help.

Yours faithfully
