

A message from GM Apprenticeship Hub

Due to ongoing Covid-19 situation we are expecting that apprenticeship vacancies will be between 20-25% of the usual number of opportunities. The following colleges and providers are accepting applications for apprenticeships as well as their alternative provision including traineeships and study programmes.

Alliance Learning:

Are still accepting Apprenticeship Applications and are undertaking Information, Advice and Guidance sessions remotely or via the telephone. If possible they will also hold these sessions in our centre (if government guidelines allow).

Email – info@alliancelearning.com

Website – www.alliancelearning.com

Telephone – 01204 677888 (Monday – Thursday 8.30am – 4.30pm only)

Bolton College are currently working remotely and accepting applications for apprenticeship and full time courses. We deliver apprenticeship in many areas from construction, business & financial services, motor vehicle, hairdressing, sport, childcare and social care.

We offer an employer services to help and support learners looking for employment and for employers looking to secure an apprentice.

Please take a look on our website for more information on the apprenticeship opportunities.

www.boltoncollege.ac.uk 01204482000

The Growth Company:

GC Education and Skills (The Growth Company) offer study programmes to young people aged 16-19. For more information about the Growth Company study programme visit

gceducationandskills.ac.uk/study-programme-offer

Hopwood Hall College:

Post COVID-19 there may be fewer apprenticeship vacancies available as employers adjust to new ways of working. If you haven't already done so, we would strongly recommend that you also apply for one of our full time courses. Many include work experience which will help develop your skills as well as potentially leading to Apprenticeship opportunities. It makes sense to have an offer in place, visit www.hopwood.ac.uk to explore our full-time courses and to make your

application. Once you have applied you will be invited to join in our Virtual New Starter Day on 30th June, this is the perfect opportunity to get a feel for what to expect as you step up to College.

The Manchester College:

Our newly developed online application portal means that any young person wishing to apply or accept their place at The Manchester College may continue to do so, from wherever they are.

Mantra Learning

Are taking applications for apprenticeships and traineeships via <https://www.mantralearning.co.uk/>

Michaeljohn Training:

From all of us here at Michaeljohn we hope that you are keeping well. Due to the current COVID19 situation, we are currently conducting our interviews for Traineeships/Apprenticeships in Hairdressing and Barbering via telephone for the foreseeable. We are running LIVE workshops on our social media over the next coming months for our 2020 applicants. We have put a lot of work into getting our applicants exclusive resources that our current Michaeljohn students use on a weekly basis. Apply <https://www.mj-training.co.uk> if interested!

North Lancs Training Group:

Find out how to apply for Apprenticeships here.

Also, NLTG's ever popular Study Programme is still running on a virtual basis. Please contact them on the numbers below to discuss in more detail.

Study Programme

The Employability Skills route of our Study Programme is currently being delivered remotely by our expert tutors. Why not sign up today and develop your employability skills from the comfort of your own home!

What is Study Programme?

NLTG's Study Programme is an exciting, full-time, pre-apprenticeship programme for 16-18 year olds. The Employability skills route will help you develop the skills needed to get you ready for the workplace, further learning or an Apprenticeship. We will also help you gain a maths and/or English qualification if you don't have GCSEs at grade 9-4!

How will it work virtually?

Joining
Using the contact details provided call or email us and we can sign you up over the phone.

Bursary
If you engage and complete the work set each week then you can receive a bursary payment of £25 per week.

Equipment
You can complete your work over the phone, email, Whatsapp, video calls or through the post, so don't worry about fancy IT equipment.

Help
You will have your own tutor who can guide you through your work and support you during your time on programme.

Qualifications
You will gain a City & Guilds Certificate in Employability skills. If you do not already have GCSE English and Maths at grade 4/C or above then you can work towards Functional Skills English and Maths.

Will I get paid?

Will I gain qualifications?

Who can help me?

How do I join?

What equipment do I need?
