

Friday 19th June:

Happy Friday Year 2! Well done for completing another week of brilliant learning everyone.

The answer to yesterday's riddle - A truck driver is going opposite traffic on a one-way road. A police officer sees him but doesn't stop him. Why didn't the police officer stop him? ...**Because he is walking.**

Have a marvellous day and enjoy your activities.

Daily reading

Enjoy reading your book today for 10-15 minutes. Have a go at challenging yourself with some questions to support your understanding.

Create a list of any words you don't know the meaning of and have a guess at what they could mean. At the end of the story, go back and discuss their definitions.

Top Tips:

- Prior to reading, encourage your child to focus on the title of the book, the author, the illustrator and the front cover. Make predictions about what you think will happen in this book based on these factors. Afterwards, read the blurb and see if it gives you any further hints.
- Continue asking your child questions throughout the book but also encourage them to ask questions as this will further their understanding of the text.
- When you have finished the story, is your child able to retell the events in the order in which they happened? If you are reading non-fiction, can they recall any interesting facts that they have read?

Daily counting, number bonds or times tables

Catch the counts! Grab yourself a soft ball or a teddy and say a number you are going to start on, throw the ball/teddy and the person catching it has to say the next number in the sequence. They then throw it back again and you say the next number again e.g. 15, 20, 25. Try doing this counting in 2s, 5s and 10s. You can go forwards or backwards in your sequence.

Challenge – Try the 3 times tables.

Termly Spellings

This week's spelling pattern focuses on words with the l sound spelt 'al'.

metal
capital
hospital
animal
friend
parents

Give your child three cards with '-le', '-el' and '-al' on them. Read out some different words and they must decide which way the word is spelt. Suggested words: magical, apple, angle, angel, squirrel, paddle, medical.

Daily Maths

Remember you can log in to Maths with Parents:

www.mathswithparents.com. If you haven't registered before, log in as a parent with your child's details and the class code - **2EO = 717743** **2G = 633030**

Problem Solving:

Fill in the missing numbers. What do you notice?

27		12	15
15	?	?	

37		23	14
15	?	?	

13	14	57	
?		15	?

**Daily English/
Phonics**

Dictated sentence:

Please read the following sentence to your child. Then re-read slowly one word at a time while your child writes the sentence.

Next to my house there is a field full of daisies.

Copy the following real and alien words, then put sound buttons on them. Press the buttons to read the words.

filterisation. Centre conservation tropple

Can you recognise which are alien words and which are real words?

Put the following common exception words into sentences. Remember your punctuation.

improve wild beautiful

Challenge: Have a go at extending your sentences using 'because', 'when' and 'if'. How many different sentences can you write?

Writing:

Today, you are going to be using your crazy, made up words from yesterday to create your own version of 'In the Giant's Rucksack'. See if you can create at least four verses. Here is an example of what your verse might sound like using 'whizzybops' from yesterday...

***In my rucksack I keep a scruffy, old pair of whizzybops
to run at supersonic speed across the planet Jupiter.***

Now it's your turn...

In the Giant's Rucksack

In my rucksack I keep –

A _____ to _____
_____.

Challenge – Share your poem with a friend and ask them to choose their favourite verse.

Healthy Me

To celebrate British Flowers Week, we have given you different famous flower paintings. Your challenge is to see if you can recreate it either through painting, drawing, photography, collage, or anything else you can think of.

Flowers by Andy Warhol
 Instead of observing flowers in nature, Andy Warhol found his inspiration in a 1964 issue of Modern Photography. He transformed a photograph of hibiscus blossoms into a technicolour series of silkscreens, each simply titled Flowers.

Problem of the Day

Challenge – Build your own dinosaur nest

You can use natural materials from your garden or you could go on a walk and see what you can find to create a nest that can hold dinosaur eggs. Remember that a dinosaur’s eggs are rather large, so a small nest won’t do! Top tip - water is extremely useful for moulding twigs and leaves together.

Today’s riddle – What kind of tree can you carry in your hand?

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

Home Learning

Please look at your Home Learning grid for Term 6 on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Please plan and complete these activities throughout the duration of the school closure.

National Curriculum Word Lists

Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Can you write a sentence using the words?

Curriculum Overview	<p>Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information, go down the menu on the left hand side to Curriculum, go to Termly Overview and click on the one for your year group.</p> <p>Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.</p>
----------------------------	---

Useful websites	Please see the useful websites list.
------------------------	--------------------------------------

Well done everyone for such a great week of learning. You have worked really hard and we are all very proud of you. If you would like to send us any photographs of the work you've been doing, we would love to see them.

2EO: 2eo@newbridge.bathnes.sch.uk 2G: 2g@newbridge.bathnes.sch.uk

Have a lovely day and enjoy your weekend.

From the Year 2 teachers
