

Friday 25th April:

Good Morning! We hope you are all well and looking after yourselves and your families.

It's the end of the week so let's have some fun - why not learn some jokes to tell your families and do a stand-up routine?

We are sure it will bring a smile to your parents' faces!

Daily reading

Today, why not listen to some stories being read aloud to you – there are some good ones on the World Book Day site <https://www.worldbookday.com/storytime-online/>

Year Six Book Group

I would like you to read the first three chapters of **Orphans of the Tide by Struan Murray** (make sure you have a biscuit and a drink when you are reading). What has happened so far?

Tell an adult or write a summary and send it to us. What do you think will happen next?

Daily Maths

Algebra continued:

Ready:

Katya is finding possible values for a and b

$$2a + b = 18$$

She says, "If a equals 7, b must equal 5."

Is Katya correct? Explain your answer.

If 'a' is an odd number and 'b' is 2, which of these could be true?

$$2a + 2b = 14$$

$$A \times b = 9$$

$$2a \times b = 12$$

$$a + 2b = 9$$

Pizza Expresso sells 2 medium pizzas and one small pizza for £16. What possible prices can you find for each pizza?

$$2m + s = £16$$

Medium =

Small =

Steady:

Which pair of values does not satisfy the equation?

$$a \div b = 9$$

$$a = 72$$

$$b = 8$$

$$a = 94$$

$$b = 11$$

$$a = 54$$

$$b = 6$$

Work out the values of **b** and **c** if **a = 12**

$$a + b = 20$$

$$c + b = 35$$

List three possible values for **a** and **b**, where **c = 75**.

$$5a + b = c$$

List three possible values for **c** and **d**, where **e = 56**

$$3c - d = e$$

If a is an odd number and b is 25, which of these could be true?

$$2a + 3b = 105$$

$$a + a - 4b = 4$$

$$4a/4b = 2 =$$

$$3a + 3b = 96$$

Go:

Use the numbers below to find all the possible combinations for the two variables below

$$\underline{x - y = -5.5}$$

10 1 -4.5 6 12 6.5 0.5 4.5

Work out the values of x and y.

$$x = 12.5$$

$$x + y = 28$$

$$x + y = 20.5$$

List three possible values for a and b, where c = 25

$$\underline{3a + 2b = c}$$

CinePlaza sell 2 medium popcorn and 2 small popcorn for £17.50. What possible prices can you find for each popcorn?

$$\underline{2m + 2s = £17.50}$$

Medium= small=

Daily English

Writing to entertain- Midsummer Night's Dream:

Today, you are going to write a **character description about Puck**.

Watch these clips if you can

<https://study.com/academy/lesson/puck-in-a-midsummer-nights-dream-character-traits-analysis-quiz.html>

<https://www.youtube.com/watch?v=CAwSQkrIJfk>

<https://www.youtube.com/watch?v=tMOaAp42QRw>

First of brainstorm words and phrases to describe Puck and then write a paragraph describing him. Remember to re-read the synopsis if you need to (see Tuesday's daily plan)

Success Criteria: (what to include)
 Correctly punctuated sentences
 Powerful vocabulary – use a thesaurus
 Correct spelling – use a dictionary
 Variety of punctuation - including colons and semi colons
 Correct verb tenses

Remember to follow the writing process- plan, write and edit

Well-being
 Play a board game or a card game with your family - our favourites are Bananagrams and Monopoly.
 Or go outside and throw a ball around - how many throws and catches can you do without dropping it? Or play Mrs Button’s favourite ball game - piggy in the middle.

Over the weekend you could try the alphabet challenge.
Either make every letter from the alphabet or the letters in your name from objects in your house and garden **or** go on Google Maps and find letters in the maps. See the above image for an idea.
 Have fun!

Healthy Me
 Have a go at making this quick and easy pizza substitution- make sure you ask an adult first!
Loaded Mushroom Pizza
 Scoop out a large round portobello mushroom and replace it with tomato, cheese, basil, salt, and pepper. Now, place it inside a microwave and cook it till the mushroom has softened, and the cheese has melted. Your cheesy, flavoursome and delicious pizzas are ready to be savoured for a lip-smacking treat.
 Send us a photo if you manage to make one!

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

Home Learning	Please look at your Home Learning grid. Visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Please plan and complete these activities throughout the duration of the school closure.
Termly Spellings	Please take time to learn spellings for future weeks and to re-visit past spellings. These can be found on the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Also, you can learn the Year 5/6 statutory words that we have provided for you. Concentrate on the spellings that you know you find tricky. Remember the ways in which we practice them each week in class: <ul style="list-style-type: none">• Writing them forwards and backwards• Writing the vowels in a different colour• Write them in a pyramid shape• Look, write, cover, check• Each letter could be a different colour• You could also find out their meaning by using a dictionary.• Can you write each one in a sentence?
National Curriculum Word Lists	Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Can you write a sentence using the words?
Curriculum Overview	Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information , go down the menu on the left hand side to Curriculum , go to Termly Overview and click on the one for your year group. Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.
Useful websites	Please see the useful websites list.

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today.

All Year 6 communication to go through this email:

6b@newbridge.bathnes.sch.uk

Please look out for the next email for tomorrow's learning, from Mrs Amor and Mrs Button.
