

Friday 27th March: Hurray! It's Friday and Feel Good Friday at that! We hope you are enjoying your learning and filling your books with great work for us to see. Today is full of fun!

<p>Daily reading</p>	<p>Today please read for 30 minutes If anyone at home has the opportunity to discuss this with you, please ask them to. If you have a younger brother or sister, you could read to them.</p>
<p>Daily times tables</p>	<p>Please continue to learn your year group times tables: 6x, 7x, 8x 9x and 12x If these are a bit tricky, please work on your 2x, 3x, 4x, 5x, and 10x An idea for how to learn them is:</p> <ul style="list-style-type: none"> • Sing them (there are many videos to help you) • Play Hit the Button https://www.topmarks.co.uk/maths-games/hit-the-button this website will also help you with doubling, halving, square numbers and prime numbers. • https://www.timestables.co.uk/ this is a great website to assess how you are doing with your times tables.
<p>Termly Spellings</p>	<p>Please take time to learn spellings for future weeks and to re-visit past spellings. These can be found on the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class.</p> <p>Also, you can learn the Year 5/6 statutory words that we have provided for you. Concentrate on the spellings that you know you find tricky.</p> <p>Remember the ways in which we practice them each week in class:</p> <ul style="list-style-type: none"> • Writing them forwards and backwards • Writing the vowels in a different colour e.g. delicious • Write them in a pyramid shape • Look, write, cover, check • Each letter could be a different colour • You could also find out their meaning by using a dictionary. • Can you write each one in a sentence?
<p>Daily Maths</p>	<p>Today you are going to imagine that you are going shopping. You can decide how much money you would like to spend; it can either be £100, £500 or a £1000. You must budget well and buy more than 5 items but less than 10 and they must be different items. You must write down:</p> <ul style="list-style-type: none"> • What you bought • How much it cost • Where you purchased it from e.g Argos or Sainsburys • After you had bought an item, how much money did you have left to buy the rest of the items? <p>£1000 Trampoline (Argos £170) $1000 - 170 = 830$ 830 - And so on.</p> <p>If you have a catalogue at home, you could use this to work out how to spend the money or if possible, you could shop online but you may need an adult to help you. Happy shopping.</p>

Daily English

At school we discussed creating a newspaper that would be called 'Happy News'. In it we talked about having articles that were about positive and happy events. Over the next few days we would like you to plan, write and edit a newspaper article. It has to be an article that makes people smile for example:

- How someone has helped a friend, elderly person or family member by doing a kind deed.
- How you have managed to entertain yourself by being at home
- Have you been creative when finding ways to communicate with your friends?
- Do you know how the Newbridge Community are working together to support each other? This would be a great article.

Remember to use the features of a newspaper:

Orientation

Sub-headings

Headline

Main body of text and reorientation

You should think about how you could include a photo/picture and caption.

We suggest you plan it first, and then write the article. Edit it by talking it through with another member of your family. Then produce the finished article. We could eventually put all the articles together to create NEWBRIDGE HAPPY NEWS!

This will probably take a few days to create and publish and so your next two English lessons will be the same.

Today you should be ready to start writing your main body of text. You should use a dictionary if you are not sure how to spell some words. Think carefully about the writing tools you use e.g descriptive language, adverbs and how you start each sentence. Also, try and challenge yourself by using lots of punctuation. Can you include a semi colon?

If you don't want to do this, you could plan your own circuit training in the garden. Think about having 5 stations and what you can do at each station and for how long. E.g. sit ups, burpees, star jumps etc.

Problem of the day

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

Home Learning	Please look at your Home Learning grid. You should have a copy in your folder, if not visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Please plan and complete these activities throughout the duration of the school closure.
National Curriculum Word Lists	Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Use the strategies listed at the top of the page.
Curriculum Overview	Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information , go down the menu on the left hand side to Curriculum , go to Termly Overview and click on the one for your year group. Which aspects have you not yet covered in class? (Your teacher will have highlighted this on the paper copy). Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.
Useful websites	Please see the useful websites list.

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today
