

Friday 3rd July:

Good morning Year 1. Did you manage to guess the answer to yesterday's riddle? The answer was **the 'C'**. Here's a joke for you. What did the sea say to the land? Nothing - it just waved. Keep working hard and trying your best!

Daily reading

Today, please read a book of your choice for 10 minutes then spend 5 minutes retelling what you have read and answering questions about it. Please ask an adult to help you with this.

Thinking about the book you are reading at the moment. What happened in the middle of the story?

Optional online book -

Skyway Shock - https://www.oxfordowl.co.uk/api/digital_books/1376.html

Daily counting, number bonds or times tables

100 square.

Hide some numbers written in words around the room

e.g. forty, sixteen, ten, one hundred

Children to find the words and use a counter to cover the numbers on their 100 square.

Easier: write numbers to 10

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings.

These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Here is another way to try.

Draw around the words making a clear distinction in size where there are ascenders and descenders.

Look carefully at the shape of the word and the letters in each box.

Now try to write the word making sure that you get the same shape.

Daily Maths

Outdoor maths: Place value

Go on a maths nature hunt.

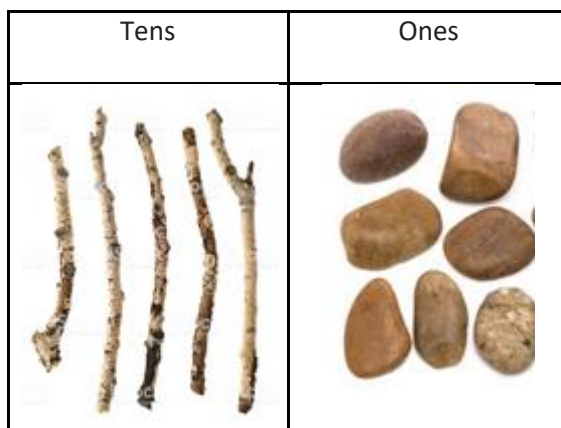

Find some natural objects that represent a particular number.

For example - number 57

There are 5 tens and 7 ones.

Stick = 10

Stones = ones

Make the numbers- 35, 69, 18, 24, 42

If it's a wet day you could use objects around the house.

e.g. pencil = 10

lego brick = 1

Challenge: Choose a number over 100.

You will need to add an extra column and choose an object to represent the hundred.
