

Friday 3rd July: Good Morning Year 4, the weekend is here and you have worked hard all week. Why don't you have a couple of days off! Also remember to give a random act of kindness to someone in your family or a friend, like sending them the letter that you write today, or sharing your animation. Here are the answers to the Dingbats: Face in the crowd, in growing toenail, money for old rope, beat around the bush.

Mr H and Mr C

Daily reading

Today, please read for 30 minutes. If anyone at home has the opportunity to discuss this with you, please ask them to.

Create a book review on the book you have been reading this week. You don't need to write it down, you can just share with a family member or friend. Give a quick synopsis (blurb) as to what the book is about. What did you like/not like about it? Would you recommend it or could you recommend an alternative in the same genre?

Daily times tables

Please continue to learn your year group times tables: 6x, 7x and 9x.

Get someone to test you on a times table. To make it more difficult, make them test you using flash cards. They could test you on all your times tables or decimal times tables e.g. $0.6 \times 5 = 3$

Times tables website: <https://www.timestables.co.uk/>

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings.

These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Using the words and writing them down are the best ways to learn them. Activities you could do are:

- Find the meaning of the words
- Put the words into sentences
- If there is a pattern, how many words can you find with the same pattern?
- Draw pictures of the what the words mean with the word in the picture
- Create a word search
- Create a crossword
- Test your parents!

Maths

2D shape Artwork

We would like you to use the shapes that you drew yesterday to create a piece of artwork. It can be drawn, painted, collage or anything that your imagination comes up with. Can you create animals out of 2D shapes? Can you create a scene made up of just 2D shapes? Remember to use large and small shapes and use a ruler for accuracy.

Challenge: Investigate tessellation and try and create a tessellated pattern using 2 (difficult) or 3 (really difficult) 2D shapes.

English

Letter to a friend:

Using your plan from yesterday, write or email a letter to your friend. Once you have written it, try and make it look personal to your friend by drawing the things they like on it. You'll feel really good that you did this and you might even feel excited about how they feel when they receive it. Remember it is the giving not the receiving that is the important part.

Healthy Me	Complete your animations and share them with a friend.		
Problem of the Day	<div style="display: flex; justify-content: space-around; align-items: center;"> <div style="border: 1px solid black; padding: 10px; text-align: center;">the apple</div> <div style="border: 1px solid black; padding: 10px; text-align: center;">T P World R I</div> <div style="border: 1px solid black; padding: 10px; text-align: center;">give get give get give get give get</div> <div style="border: 1px solid black; padding: 10px; text-align: center;">funny funny words words words words</div> </div>		

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

Home Learning	<p>Please look at your Home Learning grid. Visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class.</p> <p>Please plan and complete these activities throughout the duration of the school closure.</p>
National Curriculum Word Lists	Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Can you write a sentence using the words?
Curriculum Overview	<p>Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information, go down the menu on the left hand side to Curriculum, go to Termly Overview and click on the one for your year group.</p> <p>Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.</p>
Useful websites	Please see the useful websites list.

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today.

4H: 4h@newbridge.bathnes.sch.uk 4C: 4c@newbridge.bathnes.sch.uk

Please look out for tomorrow's learning, from Mr Hempleman and Mr Cumpson
