

Friday 5th June: Happy Friday Year 2! You have completed another week. Well done on all your amazing learning you've been doing!

What did you think was the answer to yesterday's riddle? I have wings and I have a tail, across the sky is where I sail. Yet I have no eyes, ears or mouth, and I bob randomly from north to south. What am I?...**A kite**. Fantastic work if you got this right!

Below are today's activities which we hope you enjoy doing.

Daily reading

Get cosy with a hot chocolate and a healthy snack and enjoy reading your book for 10-15 minutes today.

Is your reading den still up in your house? Can you create another one or a reading tepee tent?

Have a go at testing your understanding of the text by answering these questions:

Questions to support retrieval

- Why did happen?
- How did?
- How many.....?
- What happened to.....?

Top Tips:

- Prior to reading, encourage your child to focus on the title of the book, the author, the illustrator and the front cover. Make predictions about what you think will happen in this book based on these factors. Afterwards, read the blurb and see if it gives you any further hints.
- Continue asking your child questions throughout the book but also encourage them to ask questions as this will further their understanding of the text.
- When you have finished the story, is your child able to retell the events in the order in which they happened? If you are reading non-fiction, can they recall any interesting facts that they have read?

Daily counting, number bonds or times tables

Test out your odd and even knowledge by investigating Captain Conjecture's thinking.

Captain Conjecture says:

- 'An odd number + an odd number = an even number'
- 'An even number + an even number = an odd number'
- 'An odd number + an even number = an even number'

Are these statements sometimes, always or never true? Test it out and explain how you know.

Challenge - 'An odd number + an odd number + an odd number = an even number'.

Is this sometimes, always or never true? Explain your reasoning.

Termly Spellings

This week's spelling pattern focuses on adding suffixes to words ending in 'y'.

- worried
- happiest
- replied
- replying
- crying
- bath

Have some fun using different resources to create the word or the difficult part of the word using items of your choice such as pasta, blocks, pom poms or Lego to give you a range of ideas.

Or

Take your learning outside and find what resources you can use from your garden or local area to spell out the words or other words with the same spelling pattern.

Daily Maths

For any help and activities for measuring this week, please log in to Maths with Parents: www.mathswithparents.com . If you haven't registered before, log in as a parent with your child's details and the class code - **2EO = 717743** **2G = 633030**

Your '**Healthy Me**' task today is to enjoy a healthy picnic with your family. As we have been learning about weight this week in maths, it would be so fun to get busy in the kitchen and make one of the dishes to serve at the picnic. Get your scales ready and follow the recipe below which serves four people. Can you have a go at applying your weighing skills by making other dishes for your picnic too? Happy cooking everybody!

Delicious pasta salad:**You will need:**

- 250g pasta (any shape you fancy)
- 65g tomatoes
- 50g sweetcorn
- 40g red pepper (or a different colour if you prefer)
- 150g frozen vegetables
- 1/2 tsp (teaspoon) dried herbs (these could be oregano or basil)
- 30g feta cheese (or a cheese of your choice)
- 1 tbsp (tablespoon) greek yoghurt

**Method**

1. Add the pasta shapes to a pan of boiling water and cook according to the package instructions.
2. Four minutes before the end of cooking time add the frozen vegetables to the pan.
3. Drain the pasta and vegetables and run under cold water for 30 seconds and then add to a large bowl.
4. Chop up the tomatoes and red pepper. Throw these into the pan along with the sweetcorn too.
5. Mix everything together and add the herbs, yoghurt and crumble in the feta cheese.
6. Give the mixture a good stir and serve at your healthy picnic!

Challenge – How would you change this recipe to serve eight people?

**Daily English/
Phonics****Dictated sentence:**

Please read the following sentences to your child. Then re-read slowly one word at a time while your child writes the sentence.

I could help you this weekend if I am not busy.

You did a really great job on both pieces of work.

Copy the following real and alien words, then put sound buttons on them. Press the buttons to read the words.

thearings birmothund difference fortunately

Put the following common exception words into sentences. Remember your punctuation.

Water move great mind

Challenge: Challenge yourself to include a noun (person, place or thing), a verb (an action word) and an adjective (describing word) in each of your sentences. Have a go at highlighting each of the different types of words to identify them.

Optional extra – <https://www.bbc.co.uk/bitesize/topics/z8mxrwx/articles/zqghtyc>

Can you find other words that use the '**ly**' suffix? Have a go at using them in sentences. Remember to use the correct punctuation.

	<p>Writing: We hope you had great fun writing your poem yesterday. Today, it's time to put to use all of your understanding from the last two days of poetry work and write your own descriptive poem about anything you like. You might wish to describe your favourite animal, Bath, your garden or a member of your family, to give you a range of possibilities. Have a go at making a mind map of adjectives or create a template similar to the one you used to plan out your food poem. Once you have planned out your ideas, you can start to write your descriptive poem. Think carefully about the title, layout and remember to read through each verse as you write it to ensure it makes senses. When you have finished, you might like to add some funky illustrations to go with it. Remember to have lots of fun writing your poem today!</p> <p>Challenge – Put to use the optional extra work above and try to include words which include the 'ly' suffix in your poem.</p>
<p>Healthy Me</p>	<p>Having a picnic is always great fun. Why not design and plan a healthy picnic you could make and take with you into one of the parks in Bath. Don't fancy this? Well, how about enjoying the picnic in your garden or even in your lounge. Think about what delicious healthy ingredients you could use and what you want to include in your picnic. There are lots of lovely recipe ideas on the website below or simply think of your own. Enjoy the picnic!</p> <p>https://www.bbcgoodfood.com/recipes/collection/picnic-recipes-kids</p>
<p>Problem of the day</p>	<p>Challenge – Build a raft! Choose objects from in and around your house to build a raft out of. Your raft must float, so choose objects suitable for being in water. Test out your raft in the bathtub, sink or paddling pool if you have one. Once your raft is complete, think about how you could improve your design further. Happy building!</p> <p>Today's riddle – They come out at night without being called and are lost in the day without being stolen. What are they?</p>
<p>The activities below are supplementary and can be used to further extend learning opportunities whilst at home.</p>	
<p>Home Learning</p>	<p>Please look at your Home Learning grid for Term 6 on the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class.</p> <p>Please plan and complete these activities throughout the duration of the school closure.</p>
<p>National Curriculum Word Lists</p>	<p>Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Can you write a sentence using the words?</p>
<p>Curriculum Overview</p>	<p>Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information, go down the menu on the left hand side to Curriculum, go to Termly Overview and click on the one for your year group.</p> <p>Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.</p>
<p>Useful websites</p>	<p>Please see the useful websites list.</p>
<p>We hope you have great fun making and having your picnic if you get a chance to do this activity today or maybe this is something you could enjoy doing this weekend! Don't forget to let us know how you get on with your learning as we love hearing from you.</p> <p>2EO: 2eo@newbridge.bathnes.sch.uk 2G: 2g@newbridge.bathnes.sch.uk</p> <p>Enjoy your activities today and have a relaxing, lovely weekend. Keep safe and take care everyone,</p> <p>From the Year 2 teachers</p>
