

**Monday 13<sup>th</sup> July:**

Hello Bees and Ladybirds! We can't believe that this is your last week of being in Reception class. We hope you enjoy this week's learning.

**Daily reading**

*Look back over your favourite books that you have read this year. Here are some of our favourites. You could read 1 a day.*

The Day the Crayons Quit – <https://www.youtube.com/watch?v=489micE6eHU>  
 Oi Dog - <https://www.youtube.com/watch?v=8WzCjWk2mRw>  
 What the Ladybird Heard – <https://www.youtube.com/watch?v=oTHkob841AE>  
 The Very Hungry Caterpillar - <https://www.youtube.com/watch?v=75NQK-Sm1YY>  
 Owl Babies - <https://www.youtube.com/watch?v=TPQRiSTYFH0>

**Daily counting**

There are lots of apples on the trees in school. With a grown up, pick the apples and cut them in half. Now use these halves as shape stamps to create a lovely picture of your choice. If you're not in school, perhaps you could use some fruit from your fruit bowl at home.

**Tricky words**

Please take time to learn your tricky words. These can be found in your learning pack that we have sent home. Concentrate on the words that you know you find tricky and choose a few words to practise each day. Here are some activities you may not have tried yet. Perhaps you could do one a day this week.

- **Paint the tricky words with water onto paving stones or a walk**
- **Write the tricky words in white chalk on black paper**
- **Type the tricky words on a laptop or tablet**
- **Play 'Tricky Word Trucks' on Phonics Play**
- **Hide the tricky words around a room. When you find them, read them out.**

**Daily Maths**

These activities and ideas are based around the books "The Dinosaur that Pooped a Planet" and "The Dinosaur that Pooped the Past" By Tom Fletcher and Dougie Poynter. Here is the link – <https://www.youtube.com/watch?v=dzOjs4irfAw>

Off we Go! First things first - we need a rocket to help Danny and Dinosaur get into space. Design your own space rocket and get ready for count down!

Gather things from around your house to make your own rocket. Tubes, cups, cereal boxes and think about the shapes you would want to create. (You could use any objects around your house like before.) Danny has a lot of different shaped rockets to choose from!

Take a cardboard box or cereal box and design your buttons! What shapes will your buttons be? Will you have a big red circle one like Danny? Remember to count down from 20 to blast off!

**Daily English/Phonics**

**Phonics**

During the last week of term, we are going to revise and recap Phase 2 and 3 phonics in preparation for Year 1. Choose some of these activities to do each day.

- Sound Bingo**
- Sound Snap**
- Phonics Play games**
- Alphablocks**
- Write the sounds in rainbow colours**

**Writing:**

Think about your favourite memory of being in school this year. Perhaps it was singing on the stage during the nativity, or when the rugby coaches came in! Draw a picture of it. Write a few sentences about why this was your favourite memory.

<b>Healthy Me</b>	Mindfulness <b>5-4-3-2-1</b> :  5 things you can see 4 things you can touch 3 things you can hear 2 things you can smell 1 thing you can taste
<b>Daily Challenge</b>	Play musical statues! How still can you stay when the music stops?
<b>The activities below are supplementary and can be used to further extend learning opportunities whilst at home.</b>	
<b>EYFS Word Lists</b>	Look in your Reading Log and find all of the spellings for EYFS. How many of these can you learn? Can you write a sentence using the words?
<b>Home Learning</b>	Please look at your Home Learning grid. Visit the school website at <a href="https://www.newbridge.bathnes.sch.uk/">https://www.newbridge.bathnes.sch.uk/</a> and go to the tab <b>Classes</b> and click on your class.  Please plan and complete these activities throughout the duration of the school closure.
