

Monday 15th June: Hello Year 3s! We hope you have had a super weekend whatever you got up to! Can you believe we are already half way through June? We have lots of exciting learning planned for you this week – we hope you enjoy it!

Daily reading

This week, in English we are going to be writing about volcanoes – our topic for this term. Today, we would like you to read **'Investigating Pompeii and Vesuvius'** (attached). Can you think of 5 facts that you have learnt from reading the text?

Daily times tables

Today, we will focus on our 8 times table. Can you complete the number sentences?

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings. These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Can you write your spellings out in alphabetical order? What happens when they start with the same letter?

Daily Maths

This week in maths, we will be exploring **Mass**. We know how fantastic you are at measuring in Year 3 and now we would like you to put it to good use!

Have a think about/talk with someone at home about:

Do you remember using the words lighter/heavier to describe the mass/weight of an object?

What units do we use when we measure mass?

Do you know the conversion between the two units? _____ g = _____ kg

Have a go at the maths quiz to test your knowledge!

<https://www.bbc.co.uk/bitesize/clips/zfhsb9q>

You could look at using scales in a practical context if you have scales at home.

- Use different items from around the home and weigh them. Which object is heavier or lighter?

What is the dial pointing to? Why are there some numbers missing? Why is there a longer line in

between the two numbers? We would love to see some photos of you investigating weight!

Challenge: Have a go at mass worksheet (attached) if you would like to challenge yourself further!

Daily English

This week in English, we are going to be writing a newspaper article about a volcano erupting. We would like you to research information about a volcano. If you don't have access to the internet or books please choose Pompeii or Vesuvius and use the information that you have read for your daily reading. Draw out a table and complete with the information you have read/found out.

Name of volcano:	
Country:	
Type of volcano:	
Dormant/active/extinct?	
Date of last eruption:	
Other interesting facts:	

We will be using this information in tomorrow's English. We look forward to reading what you have found out!

Problem of the Day

Can you explain this joke to a family member?

Healthy Me

Have a go at these 5 activities either outside or indoors! How many times can you complete a set in 1 minute?

- 10 star jumps
- 10 spotty dogs
- 10 jumps in the air and touch your toes (no cheating!)
- 10 bunny hops
- 10 hops (choose which leg!)

Take a break and grab a drink. Now have another go. Did you increase the amount of sets you could do in one minute?

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

Home Learning

Please look at your Home Learning grid. Visit the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Please plan and complete these activities throughout the duration of the school closure. We would love to see the work you have completed. Why not send us a photo or a video?

National Curriculum Word Lists

Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn?

Can you write a sentence using the words?

Curriculum Overview	<p>Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information, go down the menu on the left hand side to Curriculum, go to Termly Overview and click on the one for your year group.</p> <p>Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.</p>
----------------------------	---

Useful websites	Please see useful website list.
------------------------	---------------------------------

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today.

3OG: 3og@newbridge.bathnes.sch.uk

3KC: 3kc@newbridge.bathnes.sch.uk

Please look out for tomorrow's learning, from Mrs O'Gara, Mrs Keynes and Mrs Ross
