

Monday 18th May:

Good morning Year 3. Sometimes it feels like that the time is zooming by and sometimes it feels so slow. However, Year 3, you continue to amaze us with your creativity and resilience.

Daily reading

Today, please read whichever book you are reading at home for at least 20 minutes.

Your teachers love reading you stories in class so please click on the link below and choose a book to listen to. They vary in length and age and you'll have to imagine Mrs O'Gara, Mrs Keynes and Mrs Ross putting on their best American accent, but snuggle up and enjoy story time.

Daily times tables

Year 3, you have been set a new topic on Maths with Parents. It is called **Exploring the 2, 4 and 8 multiplication tables**. Today, we'd like you to watch the video and pause at points to discuss the patterns you see.

Daily Maths

Mental maths:

Count in 4s starting at different numbers.

4, 8, 12, 16

5, 9, 13, 17.....

13, 17, 21, 25.....

Understanding the value of coins:

Can you create different ways to make the total £2.95? You can use the same coin more than once.

Ready:

Can you create 3 different ways to make the total £2.95

Steady:

Can you create 5 different ways to make the total £2.95

Go:

Can you create 5 or more different ways to make the total £2.95

What is the least amount of coins you could use?

What is the most amount of coins you could use?

Money fun:

Using the coins above, can you label food from your cupboards and ask your family to buy two items. How much would they be together?

For example:

Baked beans = 27p

Pasta = 75p

How much all together? You can use column addition to work it out.

Daily English

How do you think the boy is feeling?

What emotions do you think the man is experiencing?

What country do you think they are in?

Is he a normal boy or does he have certain powers?

Where do you think the train is going?

Will the driver realise what has happened?

You can either discuss this with an adult or write the answers in your English book.

Problem of the day

The 2019 Oxford Children's Word of the Year was . . . 'BREXIT'!

Can you make up a new word and decide what the meaning is. Mrs O’Gara is feeling **hapad** – when you feel happy and sad at the same time but you can’t quite put your finger on which.

Healthy Me

Keeping active needn’t be working outside in a garden or park – there are lots of way to keep active throughout the day at home.

Please find the link to short 10 minute activities you can do at home or on your own (or perhaps with a sibling or parent.) Can you adapt these activities to suit your family?

Did you know it is Mental Health Awareness Week and the theme is kindness? We would love to see photos or hear how you have been kind to yourself or someone else this week. Remember when we showed random acts of kindness a few months back? Can you offer to help lay the table every day? Can you draw a picture for an elderly neighbour? Can you make a poster about a member of your family, telling them all the reasons that make them special? Try and be kind to yourself or someone else every day this week.
