

**Monday 20<sup>th</sup> April:** Welcome back Year 3. How was your Easter break? Did you eat much chocolate? Your teachers certainly did – oh well, more Joe Wicks to work off the calories it is then. With all of these activities make sure there is a balance of learning and getting fresh air. Don't forget, you would have morning break and lunch break at school running around outside.

**Daily reading**

Today, please read for at least 20 minutes.  
If anyone at home has the opportunity to discuss this with you, please ask them to. Adult – don't forget the who, what, where and when questions?  
Find a page from your book and sketch what the words help you to 'see.'

**Daily times tables**

By the end of Year 3, you will need to know times tables up to 2, 5 and 10 (end of Year 2 expectations) 3, 4 and 8 (end of Year 3 expectations) You will need to spend time focusing on these using various websites or playing squirt as we talked about. Please use the <https://www.timestables.co.uk> website and the speed test to practise. If these are secure, please learn the related division facts.  
**The year 3 team see this as really important learning so expect you to spend a minimum of 15 minutes a day learning your times tables.**  
If these are also secure, please learn other tables up to 12 x 12 and related division facts.

**Daily Maths**

**Understanding place value:**

523 equals 5 hundreds, 2 tens and 3 ones. 523 also equals 52 tens and 3 ones. 523 could also be described as 5 hundreds and 23 ones
