

Monday 20th April: Welcome back Year 4. We hope that you are all well and have had a good amount of sun, fun and chocolate over the holiday. It's great to be back in contact with you and we look forward to catching up with you via your emails and seeing what brilliant things you have been creating in the holidays. We hope that you enjoy this week's tasks Mr H and Mr C

Daily reading

Today please read for 30 minutes.

If anyone at home has the opportunity to discuss this with you, please ask them to.

Roman housing and homes:

The Romans built lots of cities that were well fortified with city walls. They also introduced lots of luxuries into civilisation, such as public baths, roads and even plumbing! As a Roman, the type of house you would live in would depend on whether you were rich or poor. Romans in the countryside lived in small villages of wooden huts with thatched roofs.

Research using websites to find out and describe what the Roman buildings and rooms in their houses were used for.

These are the three main types of housing for Romans.

Insulae
Domus
Villa

Daily times tables

Please continue to learn your year group times tables: 6x, 7x and 9x.

If these are a bit tricky, please work on your 2x, 5x and 10x or 3x, 5x and 8x.

Speed rounds: Race against time. Can you write down your 6x, 7x and 9x times tables in one minute or 60 seconds?

Times tables website: <https://www.timestables.co.uk/>

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings.

These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Using the words and writing them down are the best ways to learn them. Activities you could do are:

- Find the meaning of the words
- Put the words into sentences
- If there is a pattern, how many words can you find with the same pattern
- Draw pictures of the what the words mean with the word in the picture
- Create a word search
- Create a crossword
- Test your parents!

Daily Maths

Addition:

This week we want you to focus on addition using mental and formal written methods.

Today we have found a variety of games which we think will support and help develop your addition skills. If you get stuck, then work the questions out on paper. These games can be used all week.

How to add – instructional videos

<https://www.khanacademy.org/math/cc-2nd-grade-math/cc-2nd-add-subtract-1000>

Support Games for first steps to adding

<https://www.ictgames.com/mobilePage/index.html>

Powerlines – Add the numbers to make target numbers

<https://primarygames.co.uk/pg2/powerlines/powerlines1.html>

https://www.mathplayground.com/magic_triangle.html

Negative numbers – games where you have to add negative and positive integers

https://www.mathplayground.com/number_conundrum_integers.html

	<p>https://www.mathplayground.com/math_lines_integers.html https://www.mathplayground.com/logic_overlap_sums.html https://www.mathplayground.com/magic_triangle.html</p> <p>Addition Missing numbers https://www.mathplayground.com/brain_workouts/brain_workout_01_addition.html</p> <p>Decimal adding pyramids https://www.mathplayground.com/number_conundrum_decimals.html</p> <p>Word problems https://www.mathplayground.com/wpdatabase/wpindex.html</p>
Daily English	<p>Day 1: Research</p> <p>This week we will be looking at Roman daily life focussing on Roman houses/villas. https://www.bbc.co.uk/bitesize/topics/zqtf34j/articles/ztqg4wx - BBC Bitesize What was it like in Roman Britain?</p> <p>https://www.historyforkids.net/roman-houses.html</p> <p>Roman houses Take notes on the different rooms, appearance and materials used to make them. Did all Roman citizens live in Roman villas? Explore the differences between these houses and houses of today. Look at estate agents' websites or at your own house! What are the differences/ similarities?</p>
Healthy Me	<p>How many times did you exercise over the holidays? We bet you did loads. Don't forget that Joe Wicks is delivering a 30 minute PE lesson every day and it works. We're sure lots of you have found different ways to exercise. Tell us and we'll share them with the rest of Year 4.</p> <p>https://www.youtube.com/user/thebodycoach1</p> 
Problem of the day	<p>Can you find these things but they all have to start with the letter 'E': 1) A food 2) A South American country 3) A vegetable 4) A river 5) A sport</p>
The activities below are supplementary and can be used to further extend learning opportunities whilst at home.	
Home Learning	<p>Please look at your Home Learning grid. Visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Please plan and complete these activities throughout the duration of the school closure.</p>
National Curriculum Word Lists	<p>Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Can you write a sentence using the words?</p>
Curriculum Overview	<p>Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information, go down the menu on the left hand side to Curriculum, go to Termly Overview and click on the one for your year group.</p> <p>Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.</p>
Useful websites	<p>Please see the attached sheet for many useful websites</p>
<p><i>Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today.</i></p> <p>4H: 4h@newbridge.bathnes.sch.uk 4C: 4c@newbridge.bathnes.sch.uk</p> <p><i>Please look out for the next email for tomorrow's learning, from Mr Hempleman and Mr Cumpson</i></p>
