

Monday 30th March: *Good morning Year 5 – we hope you have had a lovely weekend.*

Daily reading

Today please read for 30 minutes
 If anyone at home has the opportunity to discuss this with you, please ask them to.
 If you have a younger brother or sister, you could read to them.
 Enjoy a short story read by David Walliams today at 11am
<https://www.worldofdavidwalliams.com/elevenses/> (or listen to a previous day's reading!)

Daily times tables

Please continue to learn your year group times tables: 6x, 7x, 8x, 9x, and 12x
 If these are a bit tricky, please work on your 2x 3x 4x 5x and 10x

An idea for how to learn them is:

- Sing them (there are many videos to help you)
- Play Hit the Button <https://www.topmarks.co.uk/maths-games/hit-the-button> - this website will also help you with doubling, halving, square numbers and prime numbers
- <https://www.timestables.co.uk/> - this is a great website to assess how you are doing with your times tables.

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings.
 These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.
 Also, you can learn the Year 5/6 statutory words that we have provided for you. Concentrate on the spellings that you know you find tricky.

Remember the ways in which we practice them each week in class:

- Writing them forwards and backwards
- Writing the vowels in a different colour e.g. **d**elicious
- Write them in a pyramid shape
- Look, write, cover, check
- Each letter could be a different colour
- You could also find out their meaning by using a dictionary.
- Can you write each one in a sentence?

Daily Maths

Place value forms the basis for our understanding of number. It is all about knowing the value of each digit (number) and what they represent.

Can you order these numbers from smallest to largest?

a) 13,503. 31,530 13,305 13,053 35,350
 b) 264,644 260,644 64,644 214,604 604
 c) 14.6. 14.06 14.0 146.4 16.004

If 7 tens, 4 hundreds, 0 ones and 12 thousands = 12,470

What are these equal to?

d) 7 ones, 9 thousands, 0 tens, 8 hundreds
 e) 8 tens, 5 ones, 14 thousands, 4 hundreds
 f) 13 tens, 2 ones, 3 hundreds, 3 thousands
 g) 12 ones, 3 tens, 0 hundreds, 207 thousands

Once you are confident with place value, try a fun activity from this website:
<https://www.topmarks.co.uk/maths-games/7-11-years/place-value>

Daily English	<p>Adding extra detail and a range of well-chosen language can take your writing to the next level! Visit https://www.telescopictext.org/text/KPx0nlXIKTciC and expand the sentence "I made tea" to explore how this writer has improved their original idea.</p> <p>Your activity is to then create your own expanded idea, i.e: Step 1: Paella is a tasty food. Step 2: The Spanish dish, paella, is a delicious, nutritious meal. Step 3: To celebrate National Paella Day, the world-renowned Spanish Dish (a delicious and nutritious meal consisting of rice, saffron, peppers and tomatoes) is being consumed the world over by many contented diners.</p> <p>With the help of a trusted adult, you can also register for free at https://www.telescopictext.org/ then create and save your own ideas online!</p>
Healthy Me	<p>Go Noodle https://www.gonoodle.com/ Joe Wicks 'The Body Coach' workouts on YouTube https://www.youtube.com/user/thebodycoach1</p>
Problem of the day	<p>Why, most of the time, is the sky blue?</p>
<p>The activities below are supplementary and can be used to further extend learning opportunities whilst at home.</p>	
Home Learning	<p>Please look at your Home Learning grid. You should have a copy in your folder, if not visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Please plan and complete these activities throughout the duration of the school closure.</p>
National Curriculum Word Lists	<p>Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Use the strategies listed at the top of the page.</p>
Curriculum Overview	<p>Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information, go down the menu on the left hand side to Curriculum, go to Termly Overview and click on the one for your year group.</p> <p>Which aspects have you not yet covered in class? (Your teacher will have highlighted this on the paper copy).</p> <p>Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.</p>
Useful websites	<p>Please see the useful websites list.</p>
<p><i>Well done for trying all of these areas of learning. Please can we ask that your parent sends a few lines in an email to let us know what you have completed today</i></p> <p style="text-align: center;">5B: 5b@newbridge.bathnes.sch.uk 5H: 5h@newbridge.bathnes.sch.uk</p> <p><i>Please look out for tomorrow's learning, from Mrs Bartlett and Mr Handson</i></p>
