

Thursday 11th June:

Today is National Corn on the Cob Day! That's a funny national day isn't it?! Have you ever tried corn on the cob? Can you think of any other yellow vegetables? We hope you enjoy today's daily learning tasks and look forward to hearing from you later.

Daily reading

We hope you enjoyed last week's book, 'Paddington at the Palace'. This week's book is 'Here We Are' by Oliver Jeffers.

You can access it here: <https://www.youtube.com/watch?v=cPPQdDwTUvE>

We will be basing some of our tasks on this book. Please email your teacher if you have any issues with accessing the book so we can provide an alternative source.

Reading challenge of the day: Ask each member what their favourite children's book is and why. If you have those books, you could enjoy reading them together.

Daily counting

Jack Hartmann Counting in 2s - <https://www.youtube.com/watch?v=OCxvNtrcDis>

Tricky words

Please take time to learn your tricky words.

These can be found in your learning pack that we have sent home.

Concentrate on the words that you know you find tricky and choose a few words to practise each day. Here are some activities you may not have tried yet. Perhaps you could do one a day this week.

- **Write the tricky word in as many different colours as you can!**
- **Make the tricky word from play dough**
- **Go on a tricky word hunt, by hiding them around one of the rooms in your house**
- **Play tricky word snap, by having two copies of tricky words and matching them up**
- **Call out a tricky word and your child has to point to them with a stick/wand, shoot them with a Nerf gun, or place a counter on them!**

Daily Maths

Today, we will practise doubling. Provide a number to the children and ask them to double it. Some children will now be able to do this off the top of their head and this will be consolidating their learning. However, many children will still need to draw this as a way of representing and supporting their learning. Use numbers that will challenge the children. Repeat this with different numbers.

Daily Phonics

Last week, we focused on Phase 2 phonics, in particular, blending and segmenting words. This week, we are going to do the same, but using Phase 3 sounds.

Revisit:

Play a Phase 3 flashcard game, such as snap, quick recall or a sound hunt.

Teach/Practise:

Recap **oa**, long **oo**, short **oo**, **ar**. Can you think of any words that use these graphemes?

Apply:

Write as many words beginning with those graphemes as you can! To challenge yourself, write a sentence with these words.

Daily English

Make sure you have watched this week's story – **Here We Are**.

Design a poster to welcome someone to planet Earth. Make it bright, colourful and packed full of useful information about Earth! You could make it on a computer or tablet app to change things up a bit if you like!

Super writers use:

capital letters, full stops, finger spaces, cursive writing!

Super writers can also use sound cards and tricky word mats to help them!

Healthy Me	Today, we would like you to draw a lovely picture and write a letter to someone you miss. Perhaps you could post this to them?
Daily Challenge	Do you know what a star constellation is? What is your star sign? Find out. You could have a go at making a star constellation picture.
The activities below are supplementary and can be used to further extend learning opportunities whilst at home.	
EYFS Word Lists	Look in your Reading Log and find all of the spellings for EYFS. How many of these can you learn? Can you write a sentence using the words?
Home Learning	Please look at your Home Learning grid. Visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Please plan and complete these activities throughout the duration of the school closure.
Useful websites	Please see the useful websites list.
Enquiry Research	Our enquiry this term is ' Where can we go? ' You might like to make your own project book that you could add drawings, photos, writing and research to!

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today.

BEE CLASS: bees@newbridge.bathnes.sch.uk LADYBIRD CLASS: ladybirds@newbridge.bathnes.sch.uk

Please look out for tomorrow's learning. Well done from Miss Mylan and Miss Keane.
