

Thursday 2nd April:

*Good morning Year 2. Did you manage to guess the answer to yesterday's riddle? The answer is a bottle. Do you know how long it takes a plastic bottle to decompose?
Here are some activities for today.*

Daily reading

Today, please read a book of your choice for 10 minutes then spend 5 minutes retelling what you have read and answering questions about it. Please ask an adult to help you with this. If anyone at home has the opportunity to discuss this with you, please ask them to.

Daily counting, number bonds or times tables

Please continue to learn your 2 times tables.
An idea for how to learn them is to follow this link and click on multiply by 2.

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings. These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Daily Maths

Go outside or around the house with a list of 3D shapes to spot. If you have a digital camera or a tablet, you could even take a photo. Can you find all the shapes?

According to your child's ability, pick from the following shapes – cube, cuboid, prism, sphere, pyramid, cylinder, cone.

Extension: count how many edges, vertices and faces each shape has. For explanations follow the link: <https://www.youtube.com/watch?v=3nLpD6bE4fE>

Daily English/ Phonics

Dictated sentence: Please read the sentence to your child. Then re-read slowly one word at a time while your child writes the sentence.

Special treasures can be found in the ocean.

Extension – Can you add detail to your sentence by adding adjectives to describe the nouns (objects)?

Copy the following real and alien words, then put sound buttons on them. Press the buttons to read the words.

blaint told slarper shine

Put the following common exception words into sentences. Remember your punctuation.

great break steak

Optional game – <https://www.phonicsplay.co.uk/BuriedTreasure2.html>

Please pick a phase suitable for your child's ability.

Healthy Me

Time challenge:
How many lunges can you do in 1 minute?

Problem of the day

Challenge – Captain Hook needs a new pirate ship and wants you to build it. Use Lego, blocks, other objects from around the house to build your ship. Don't forget to add a flag and maybe give it a name too!

Riddle of the day - I am an odd number. Take away a letter and I become even. What number am I?

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

Home Learning	Please look at your Home Learning grid. You should have a copy in your folder, if not visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Please plan and complete these activities throughout the duration of the school closure.
National Curriculum Word Lists	Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Can you write a sentence using the words?
Curriculum Overview	Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information , go down the menu on the left hand side to Curriculum , go to Termly Overview and click on the one for your year group. Which aspects have you not yet covered in class? (Your teacher will have highlighted this on the paper copy). Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.
Useful websites	Please see the useful websites list.

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let us know what you have completed today.
