

Thursday 4th June:

*Good morning Year 1. Did you manage to guess the answer to yesterday's riddle? The answer was **a dictionary**. Did you know that it took more than 70 years to complete the first edition of the Oxford English Dictionary. Here are some activities for you to do today.*

<p>Daily reading</p>	<p>Today, please read a book of your choice for 10 minutes then spend 5 minutes retelling what you have read and answering questions about it. Please ask an adult to help you with this.</p> <p>Can you tell someone what happened at the start, the middle and the end of the book you are reading?</p> <p>Optional online book - The Gale - https://www.oxfordowl.co.uk/api/digital_books/1405.html</p>
<p>Daily counting, number bonds or times tables</p>	<p>Comparing heights. Find three objects that are taller than you. Find three objects that are shorter than a chair.</p> <p>Challenge: Find something that is the same height as a shoe.</p>
<p>Termly Spellings</p>	<p>Please take time to learn spellings for future weeks and to re-visit past spellings. These can be found on the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. You could try it this way today.</p> <p>Write the word out on a sheet of paper ensuring that it is spelt correctly and it is large enough to trace over. Trace over the word and say it at the same time. Move next to the word you have just written and write it out as you say it. Turn the page over and write the word as you say it, and then check that you have spelt it correctly.</p>
<p>Daily Maths</p>	<p>Problem Solving Activity: Capacity</p> <p>You will need: some containers, such as a mug, bottle, jug and water. Look at the containers. Which do you think can hold the most or least amount of water? Put the containers in order from least to greatest capacity. e.g. mug, water bottle and a jug. Using water and a cup, work out how many cups it will take to fill up each container. Note down the number of cups of water needed to fill each container. Check to see if your original order was the same. If it was not, rearrange it.</p> <p>Challenge: Find extra containers that hold a capacity between each of the containers in your set.</p>
<p>Daily English/ Phonics</p>	<p>Writing: Today, please continue to write in your weather diary. Remember, you might like to write about the weather in the morning and the afternoon. Include a capital letter, finger spaces and full stop for each sentence and think about including adjectives too. For example, a cold wind.</p> <p>Dictated sentence: Please read the sentence to your child. Then re-read slowly one word at a time while your child writes the sentence.</p> <p><i>The fox and vixen had cubs in a den.</i></p> <p>Extension – Can you extend your sentence using and/because/when?</p>

	<p>Copy the following real and alien words, then put sound buttons on them. Press the buttons to read the words.</p> <p>uct check zome cute</p> <p>Play Quick Write. How many times can you write each word in a minute?</p> <p>she we no</p> <p>Optional game – https://www.phonicsbloom.com/uk/game/phonics-frog?phase=5</p> <p>Or pick a different game on the website at a phase suitable for your child’s ability.</p>
