

Thursday 9th July: Morning Year 5!

This week, the Wimbledon Championships would have been taking place in London. Ordinarily, people all over the world would be watching 675 matches during the whole two weeks.

In the year 2000: Pete Sampras won his seventh and final Wimbledon singles title, tying the record with William Renshaw for men at the All England Club. He had won on 1993, 1994, 1995, 1997, 1998, 1999 and 2000.

Do you know any other tennis players, and do you know how many championships titles they hold?

Daily reading

Here we go again, we love a speed read don't we Year 5?

Making a Longhouse

Vikings built houses like ships - up to 100 feet long with oval sides and sloping roofs. The main, boat-like room could house up to fifty people (plus livestock during a freezing winter).

Building a Longhouse

1. Dig holes 1 metre deep, every 2 metres around the perimeter.
2. Set the posts in the holes.
3. Lash pre-cut, rough lumber onto the wooden frame with green twigs.
4. Daub thick mud into the joints between the boards to seal out the weather.
5. Hoist the roof joists above the two widest points of the building.
6. Raise the centre beam between the end joists and attach all three sections together securely.
7. Attach all other roof joists to the centre beam.
8. Weave branches between the joists to support the outer roof layer.

1. Who would live in the longhouse during the winter?
2. Which words means the same as 'lift'?
3. Why is it important to 'seal out weather'?
4. How does the layout help you to follow the instructions?

Daily times tables

Back to looking at times tables today:

Please concentrate to the times table that you are not confident with.

Table tennis

A fun game of speed! You serve the imaginary ball by asking a tables question; your partner returns it by answering as fast as they can. If they are correct, ask another tables question, keeping the rally going until they get one wrong or get to a target you have set in advance.

See how long you can keep the rally going!

You can adjust the difficulty of the questions you ask in order to create a challenge.

Times tables website: <https://www.timestables.co.uk/>

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings. These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

horribly
possibly
incredibly
terribly
responsibly

Last day for practising the words before your test tomorrow.

Using the words and writing them down are the best ways to learn them. Activities you could do are:

- Find the meaning of the words
- Put the words into sentences
- If there is a pattern, how many words can you find with the same pattern?
- Draw pictures of what the words mean with the word in the picture
- Create a word search
- Create a crossword
- Test your parents!

Daily Maths

Today, you are going to be maths detectives. You must work through the maths puzzles to find the treasure.

Rectangles

How many rectangles are there in a tennis court? Include all the rectangles that are combinations of other shapes.

Wimbledon Tennis Maths Challenge Cards

2

Scoring

Scoring in tennis goes 15, 30, 40, Game. Explain why this counting is unusual.

How many different combinations of scores are there? e.g. 15 - 0, 0 - 15, ...

Play a game with a partner using tennis scoring.

Courts

Wimbledon has 19 Championships grass courts, 22 grass practice courts, 8 American Clay courts, 5 indoor courts, two Greenset Velvelux courts and three Greenset Trophy courts.

Draw a bar chart or line graph from this information.

How many courts are there altogether?

How many grass courts are there altogether?

Write some of your own questions using this information.

The Lines

sideline: 78 feet

How long are **all** the sidelines in total?

How long are the 2 baselines in total?

How long is the perimeter of the court?

The Draw

There are 128 players in the first round of the men's or women's singles. The winner of each match goes into the next round and the loser leaves the competition.

How many matches will be played in the whole of the men's or women's singles tournament?

How many matches does the champion win?

Daily English

Fiction writing:

Choose an activity from the list below. You may want to attempt all of them remembering to make sure you use great punctuation, descriptive language and the correct grammar.

Can you continue the story of Batman's evening off?

Does it turn out to be relaxing or does he have to go out and save lives?

Who is on the end of the phone?

Gotham City (where Batman lives) is a place where everyone always seems to be sad or in trouble. Do you think that in our world there is more happiness or sadness?

Healthy Me

Do you remember playing with play dough when you were younger? Why not make your own at home and use it to help you relax. You can think about what you would like to mould it into.

You will need

- 8 tbsp plain flour
- 2 tbsp table salt
- 60ml warm water
- food colouring
- 1 tbsp vegetable oil

Method:

1. Mix the flour and salt in a large bowl. In a separate bowl mix together the water, a few drops of food colouring and the oil.
2. Pour the coloured water into the flour mix and bring together with a spoon.
3. Dust a work surface with a little flour and turn out the dough. Knead together for a few minutes to form smooth, pliable dough. If you want a more intense colour you can work in a few extra drops of food colouring.
4. Store in a plastic sandwich bag (squeeze out the air) in the fridge to keep it fresh.

Problem of the Day

BRAINTEASER

DIRECTIONS: ***WITHOUT*** taking your pencil off the paper, draw ***4 straight lines*** through each dot! You can only go through each dot ***ONCE!*** Remember that each line has to be a straight line, and you can only draw 4 lines! Draw more boards if you need to!

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

Home Learning

Please look at your Home Learning grid.
Visit the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Please plan and complete these activities throughout the duration of the school closure.

National Curriculum Word Lists

Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Use the strategies listed at the top of the page.

Curriculum Overview

Take time to look at the Curriculum Overview for your year group. This can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> Go to the tab **Key Information**, go down the menu on the left hand side to **Curriculum**, go to **Termly Overview** and click on the one for your year group.

Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.

Useful websites

Please see the useful websites list.

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today.

5B:5b@newbridge.bathnes.sch.uk **5H:**5h@newbridge.bathnes.sch.uk

Please look out for tomorrow's learning, from Mrs Bartlett and Mr Handson
