

<p>Tuesday 12th May: Happy Tuesday Year 3! How many different types of birds have you spotted in your garden so far this week? Can you tell by their singing voice which ones they are? Remember to keep recording the birds today!</p>	
<p>Daily reading</p>	<p>Today, please read for at least 20 minutes. This week, we would love you to write a book review on the book you have been reading! Perhaps you could answer one of these 5 questions each day? If you have only just started a new book, you could write a review of the last book you have read. Today have a go at Question 2!</p> <ol style="list-style-type: none"> 1.) Can you describe the plot? What happens in the story? 2.) Where is the story set? Is there more than one setting? 3.) <p>Daily times tables</p>	<p>By the end of Year 3 you will need to know times tables up to 2, 5 and 10 (end of Year 2 expectations) 3, 4 and 8 (end of Year 3 expectations). You will need to spend time focusing on these using various websites or playing squirt as we talked about. The Year 3 Team see this as really important learning so expect you to spend a minimum of 15 minutes a day learning your times tables. If these are also secure, please learn other tables up to 12 x 12 and related division facts.</p> <p>This week, we would like you to create a Multiplication and Division board game using the multiplication/division facts you have been learning – as well as adding a few extras to challenge yourself! Please see the example of what your board game could look like. You will need to design and make your board game and then play it on a daily basis with a family member! We are looking forward to hearing who wins each day!</p>
