

Tuesday 14th July:

Good morning. Today's learning is lots of fun and involves being creative! We wonder what you will name your dinosaur.

Daily reading

Look back over your favourite books that you have read this year.
Here are some of our favourites. You could read 1 a day.

Owl Babies - <https://www.youtube.com/watch?v=TPQRiSTYFHo>

Daily counting

What is one more and one less than these numbers? 3, 5, 9, 14, 2, 8 and 12.

Tricky words

Please take time to learn your tricky words.
These can be found in your learning pack that we have sent home.

Concentrate on the words that you know you find tricky and choose a few words to practise each day.
Here are some activities you may not have tried yet. Perhaps you could do one a day this week.

- **Paint the tricky words with water onto paving stones or a wall**
- **Write the tricky words in white chalk on black paper**
- **Type the tricky words on a laptop or tablet**
- **Play 'Tricky Word Trucks' on Phonics Play**
- **Hide the tricky words around a room. When you find them, read them out**

Daily Maths

These activities and ideas are based around the books "The Dinosaur that Pooped a Planet" and "The Dinosaur that Pooped the Past" By Tom Fletcher and Dougie Poynter. Here is the link –

Make your own A, B and C Dinosaurs. All you need is your hands and some paint or a pen! Dip your full hand in the paint and make your dino shape. Can you label your dino with how many scales, eyes, spots they have? Can you give your dinosaur a name? An example is below.

Daily English/Phonics

Phonics:

During the last week of term, we are going to revise and recap Phase 2 and 3 phonics in preparation for Year 1. Choose some of these activities to do each day.

Sound Bingo

Sound Snap

Phonics Play games

Alphablocks

Write the sounds in rainbow colours

Writing:

Write a list of 5 things about you. We will use these things tomorrow to write a letter to your new teacher! You could do a drawing of yourself to go with your letter too, so they know what you look like!

Healthy Me	Can you create a glitter jar? Find a plastic bottle or jar. Fill it up $\frac{3}{4}$ of the way with water. Next, add food colouring, clear glue and glitter, then shake. Seal the lid and you are ready to go!
Daily Challenge	Design a new weather! It could be something like 'chocolate rain' or 'blossom snow'! What would you choose?
The activities below are supplementary and can be used to further extend learning opportunities whilst at home.	
EYFS Word Lists	Look in your Reading Log and find all of the spellings for EYFS. How many of these can you learn? Can you write a sentence using the words?
Home Learning	Please look at your Home Learning grid. Visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Please plan and complete these activities throughout the duration of the school closure.
Useful websites	Please see the useful websites list.
