

**Tuesday 23rd June:**

Good morning Year 1. Did you manage to guess the answer to yesterday's riddle? The answer was **only halfway, otherwise it would be running out of the woods**. Did you know that most foxes have a short life, with few living longer than three years and foxes in Scotland are larger than those in the rest of the UK. Here are some activities for you to do today.

**Daily reading**

Today, please read a book of your choice for 10 minutes then spend 5 minutes retelling what you have read and answering questions about it. Please ask an adult to help you with this.

Thinking about the book you are reading now. Do you like the story? What do you like, or not like, about it?

Optional online book -

The Noisy Day - [https://www.oxfordowl.co.uk/api/digital\\_books/1418.html](https://www.oxfordowl.co.uk/api/digital_books/1418.html)

**Daily counting, number bonds or times tables**

Counting backwards in 5s.

Skip count forwards to 100 in 5s.

Skip count backwards from 100 in 5s.

Which is easier? Which one do you need to practise?

Option: BBC bitesize Activity 2

<https://www.bbc.co.uk/bitesize/articles/zhfiqp3#:~:text=Counting%20in%205s,-Practise%20counting%20in&text=You%20could%20use%20marbles%2C%20plastic,fingers%20as%20you%20count%20aloud.>

**Termly Spellings**

Please take time to learn spellings for future weeks and to re-visit past spellings.

These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

You might want to try rainbow writing to do this.

Using coloured pencils in different ways can help to make parts of words memorable. You could highlight the tricky parts of the word or write the tricky part in a different colour. You could also write each letter in a different colour, or write the word in red, then overlay in orange, yellow and so on.

**Daily Maths**

Remind children about turns: quarter turn • half turn • three-quarter turn • full turn.

Recap on clockwise and anticlockwise.

Today, we are turning objects.

Choose a toy and move it through the clockwise turns: quarter turn • half turn • three-quarter turn • full turn. Repeat in an anticlockwise direction.

**Challenge:** Draw what it looks like each time it turns.

Look at the teddies below and talk about how they have changed.

Draw a line to match the turns with the tiles.

half  
turn

three-quarter  
turn

quarter  
turn

whole  
turn

**Writing:**

Our writing today is like to our work in Geography. We are learning the names of the four countries that make up the United Kingdom.

If you can, please watch and complete the online lesson from BBC Bitesize - <https://www.bbc.co.uk/bitesize/articles/zdq6t39>

If you are unable to access the online lesson, please look at the map below with your child and talk about the four countries that make up the United Kingdom.

Now talk to your grown up. Can you remember the names of the four countries?

Which country do we live in?

What do you like about living in England?

Write some sentences in your book explaining what you like and why.

Remember to include a capital letter, finger spaces and full stop for each sentence, think about including adjectives too.

Also, if you use the name of a country, remember it will need a capital letter.

**Dictated sentence:**

Please read the sentence to your child. Then re-read slowly one word at a time while your child writes the sentence.

*Jean must wait for her new toy.*

Extension – Can you extend your sentence using **and/because/when?**

Copy the following real and alien words, then put sound buttons on them. Press the buttons to read the words.

**teg    back    clain    brown**

Play Quick Write. How many times can you write each word in a minute?

**we    no    go**

Optional game – <https://www.phonicstracker.com/games/BananaWordarama/index>

Or feel free to pick another game from the website.
