

Tuesday 31st March: Hello Year 5! On this day in 1991, the staggering pop anthem, 'The One and Only' by Chesney Hawkes was at number one in the music charts. It's certainly worth a listen at any time of the week and if you can't find a copy of it, no doubt an adult in the house would love to sing it to you.

Daily reading

As well as reading for pleasure, try reading something different today.

This might include:

- Searching through your family's favourite books and reading some of the blurbs to find out what types of books they like to read.
- A newspaper or online news for children (<https://www.twinkl.co.uk/newsroom>)
- Turn on the subtitles (and the sound off!) for one of your favourite TV shows.

Daily times tables

Please continue to learn your year group times tables: 6x, 7x, 8x, 9x, and 12x
If these are a bit tricky, please work on your 2x 3x 4x 5x and 10x

An idea for how to learn them is:

- Sing them (there are many videos to help you)
- Play Hit the Button <https://www.topmarks.co.uk/maths-games/hit-the-button> - this website will also help you with doubling, halving, square numbers and prime numbers
- <https://www.timestables.co.uk/> - this is a great website to assess how you are doing with your times tables.

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings.

These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Also, you can learn the Year 5/6 statutory words that we have provided for you. Concentrate on the spellings that you know you find tricky.

Remember the ways in which we practice them each week in class:

- Writing them forwards and backwards
- Writing the vowels in a different colour e.g. **d**elicious
- Write them in a pyramid shape
- Look, write, cover, check
- Each letter could be a different colour
- You could also find out their meaning by using a dictionary
- Can you write each one in a sentence?

Daily Maths

'Factors' are the numbers you multiply to get another number. For instance, the factors of 12 are: 1, 2, 3, 4, 6, and 12 as twelve can be factored as 1×12 , 2×6 , or 3×4 . Numbers that have only two factors, such as 3 (1×3) are known as 'prime' numbers.

Here is an example of a factor bug.
Complete the factor bug for 36.

Draw your own factor bugs for 16, 48, 56 and 35.

As a challenge, you could draw your own factor bug or use the paint program on your computer, laptop or tablet.

Daily English	<p>Following on from our World Book Day book, 'The Day The Crayons Quit' (https://www.youtube.com/watch?v=Hrd-Wdxbg-Q) - Read or listen to the sequel, "The Day The Crayons Came Home" (https://www.youtube.com/watch?v=XKmJ2NRhcgo).</p> <p>Your activity is to write a postcard from one of the crayons who has been hiding somewhere in Andy's house.</p> <p>You could include:</p> <ul style="list-style-type: none"> - Reminding Andy why your crayon ran away in the first place. - Rhetorical questions, i.e. Green crayon might ask: Do you think I enjoy constantly colouring in grass, trees and countless pears? - What your crayon has been up to since they quit. <p>When your postcard is finished, you could also design a piece of art to accompany it (like in the book!).</p>
Healthy Me	<p>Go Noodle https://www.gonoodle.com/</p> <p>Joe Wicks 'The Body Coach' workouts on YouTube https://www.youtube.com/user/thebodycoach1</p>
Problem of the day	<p>Which planet in the Solar System has the shortest year?</p> <p>*Learn how to draw an astronaut, step-by-step, here: https://youtu.be/fXDey_O4tmw</p>
<p>The activities below are supplementary and can be used to further extend learning opportunities whilst at home.</p>	
Home Learning	<p>Please look at your Home Learning grid. You should have a copy in your folder, if not visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Please plan and complete these activities throughout the duration of the school closure.</p>
National Curriculum Word Lists	<p>Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Use the strategies listed at the top of the page.</p>
Curriculum Overview	<p>Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information, go down the menu on the left hand side to Curriculum, go to Termly Overview and click on the one for your year group.</p> <p>Which aspects have you not yet covered in class? (Your teacher will have highlighted this on the paper copy).</p> <p>Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.</p>
Useful websites	<p>Please see the useful websites list.</p>
<p><i>Well done for trying all of these areas of learning. Please can we ask that your parent sends a few lines in an email to let us know what you have completed today</i></p> <p style="text-align: center;">5B: 5b@newbridge.bathnes.sch.uk 5H: 5h@newbridge.bathnes.sch.uk</p> <p><i>Please look out for tomorrow's learning, from Mrs Bartlett and Mr Handson</i></p>
