

Tuesday 5th May: Good morning Year 4, we are looking forward to hearing what you have found out about myths and legends. Have a good day. Mr H and Mr C.

Daily reading

Today, please read for 30 minutes.
 If anyone at home has the opportunity to discuss this with you, please ask them to.

Who is ready for another fun day of learning? asked Mr H.
 Change one part of the story you picked yesterday. Would it be one of the characters? The location of the story? Would you change one of the events? Make it even more fun and exciting!! Mr H says he can't wait to see what you come up with!

Daily times tables

Please continue to learn your year group times tables: 6x, 7x and 9x.
 If these are a bit tricky, please work on your 2x, 5x and 10x or 3x, 5x and 8x.

Speed tables:

How quickly can you write down one of your times tables, from 1x to 12x?

Times tables website: <https://www.timestables.co.uk/>

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings.
 These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

Using the words and writing them down are the best ways to learn them. Activities you could do are:

- Find the meaning of the words
- Put the words into sentences
- If there is a pattern, how many words you can find with the same pattern?
- Draw pictures of the what the words mean with the word in the picture
- Create a word search
- Create a crossword
- Test your parents!

Daily Maths

What's my number?:

2976	2769	2697	2967
-------------	-------------	-------------	-------------

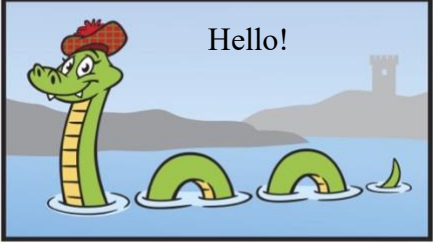

For this activity, write down 4 digit numbers on bits of paper. You can make the numbers as easy or as difficult as you like. When you have the numbers, put them where they can be seen easily. Make up questions that challenge people's understanding of these numbers e.g.

- Which number has a 7 in the tens column?
- Put these numbers in ascending order.

Challenge someone in your house to answer your questions. You could use Face Time to challenge a friend or family member. They could challenge you!

Great game to compare numbers on different number lines:
