

Wednesday 22nd April: Good Morning Year 4, how are you getting on with your addition? Are you able to add three numbers in your head? How big are those numbers? Can you add decimals? So many questions about adding. We hope you were able to solve the problems beginning with 'F' (fig or even fandango!). Have a good day and try and connect with a friend or member of your family you haven't seen for a while.

Each player turns the card at the same time and whoever multiplies the number on the cards and says the answer quickest, wins the cards. Keep going until there are no cards left. The person with the most cards wins. Ace = 1 Jack = 0 Queen = 11 King = 12. Challenge: Have three people playing!</p> <p>Times tables website: https://www.timestables.co.uk/</p>
