Newbridge Primary School Year 5 Daily Learning

Wednesday 22nd April: Happy Wednesday Year 5! Hope all is well and you are up for more learning today. We hope you enjoyed yoga and managed to find lots of items beginning with the letter L.

Daily reading	Today, you will learn about a solar eclipse in the USA. Remember to use a dictionary if there are new words. This will help you understand their meaning. (Please see below on an attached PDF.) The Space Clipse Clips
	 In order to know them really well, you must focus on the same times table for the week. There are different ways to learn them: Write them out in order e.g. 1 x 9 = 9, 2 x 9 = 18. Then could write them out in reverse starting with 12 x 9 = 108. You could find patterns in the times table and highlight them; e.g. does anything happen to the ten or ones digit? Could you make up a rhyme.
	 Five times one is five Maybe we should drive to the hive I 8 and I 8 and I fell on the floor. I couldn't get up until I was 64. Or you can continue to use the useful websites <u>www.timestable.co.uk</u> and Hit the Button We look forward to seeing the end result.

Termly Spellings	Please take time to learn spellings for future weeks and to re-visit past spellings. These can be found on the school website at <u>https://www.newbridge.bathnes.sch.uk/</u> and go to the tab Classes and click on your class.
	Also, you can learn the Year 5/6 statutory words that we have provided for you. Concentrate on the spellings that you know you find tricky.
	This week's spellings are: harass
	hindrance
	identity
	individual
	interrupt
	Today, we would like you to write your spellings forwards and backwards, and then see if you can say them out loud forward and backwards. It's not as easy as it sounds.
Daily Maths	Today, we are going to move onto lesson two of the Spring Block 3 Decimals as fractions.
	If you click on the link below it will take you to the White Rose website and the Year 5 page. You need to click on week 1 where you will find a really good video to watch and then a worksheet to follow based on Spring Block 3 WO2 decimals as fractions.
	https://whiterosemaths.com/homelearning/year-5/
	This is an excellent resource as the video teaches you the maths before you try the activity sheet.
	If you cannot access this website, then do this activity instead:
	 The hundred square represents 1 whole. Image: Image: I
	What would the answer be if you had a 200 square and had shaded in 134 squares?

and descriptive language. • Use lots of different forms of punctuation (1?;,) • Remember expanded noun phrases and relative clauses e.g. starting with which, that, wher E.g. King Tut, who was the youngest of the Pharaohs • Join sentences with conjunctions such as: Although, however, while, even though • Aim to write at least 3 paragraphs, your subheadings could be: When was Tutankhamen born? When was Tutankhamen born? Who was Tutankhamen? Did he marry? Who discovered King Tut's tomb? Once you have written the information, the next stage is to edit carefully. If you have a green pen, then use it like we do at school, it will help you see how you have improved your work. Now GO, GO, GO write and be amazing. Healthy Me To keep your brain active and your heart healthy, exercise is really important. It makes you feel aw and more positive. So today, we would like you to try to fit in 3-5 minutes of exercise, a times throughout the day. It may be you do your English task, have a break to have a drink and complete your first exercise. It could be skipping, hopping, jogging on the spot, leg lunges. When you have finished, you could ther move onto the next task, maths, followed by another exercise. Keep it up and maybe get the rest of your household involved. Problem of the day It may be potant legs can you see? The activities below are supplementary and can be used to further extend learning opportunities whilst at home. <	Daily English	So far you should have collected notes, planned your information sheet and thought about how to set out the information and pictures.
 Engage the reader by making the information interesting, to do this use rhetorical question and descriptive language. Use lots of different forms of punctuation (1?;.) Remember expanded noun phrases and relative clauses e.g. starting with which, that, where E.g. King Tut, who was the youngest of the Pharaobs Join sentences with conjunctions such as: Although, however, while, even though Alm to write at least 3 paragraphs, your subheadings could be: When was Tutankhamen born? Who was Tutankhamen? Did he marry? Who discovered fing Tut's tomb? Once you have written the information, the next stage is to edit carefully. If you have a green pen, then use tilke we do at school, it will help you see how you have improved your work. Now GO, GO, GO write and be amazing. Healthy Me To keep your brain active and your heart healthy, exercise is really important. It makes you feel awa and more positive. So today, we would like you to try to fit in 3-5 minutes of exercise, 4 times throughout the day. It may be you do your English task, have a break to have a drink and complete your first exercise. It could be skipping, hopping, jogging on the spot, leg lunges. When you have finished, you could ther move onto the next task, maths, followed by another exercise. Keep it up and maybe get the rest or your household involved. Problem of the day How many elephant legs can you see? The activities below are supplementary and can be used to further extend learning opportunities whilst at home.
