

Wednesday 22nd April

Good Morning! What will you get up to today?

Today is The Big Pedal 2020 - can you go out for a bike ride or scooter ride - remember to keep a safe distance away from others. Or perhaps you can find out about some scooter tricks you can learn at home?

We can't wait to hear from you today – 6b@newbridge.bathnes.sch.uk

Daily reading

Read your book today for an hour and comic strip you have read - it will help you recall the plot and characters.

Year Six Book Group

I would like you to read the first three chapters of **Orphans of the Tide by Struan Murray** (make sure you have a biscuit and a drink when you are reading). What has happened so far? Tell an adult or write a summary and send it to us. What do you think will happen next?

Daily Maths

Today, we would like you to revise converting units –

imperial and metric:

Ready:

1. Isaac and Jaxon are filling up their cars with fuel. Isaac fills his car with 64 pints of petrol. Jaxon fills his car with 10 gallons of petrol. Who used the most fuel?

2. **Tick the correct statement**

- A. 3 stone = 30 pounds
- B. 4 ounces ≈ 1 pound
- C. 2 pints = 0.25 gallons

3. **Match the measurements to their conversions or approximate conversions:**

10cm 96 inches 1.25cm 0.5 inches 4 inches 8ft

Steady:

Insert <, > or = to complete the comparison statements below.

0.5ft	<div style="border: 1px solid black; width: 100px; height: 30px; margin: 0 auto;"></div>	6.5 inches
30.12cm	<div style="border: 1px solid black; width: 100px; height: 30px; margin: 0 auto;"></div>	1ft
3 gallons	<div style="border: 1px solid black; width: 100px; height: 30px; margin: 0 auto;"></div>	24 pints
2.5 inches	<div style="border: 1px solid black; width: 100px; height: 30px; margin: 0 auto;"></div>	5.55cm

Put the following measurements into the Carroll diagram below:

- 17.5oz
- $\frac{3}{4}$ of a lb
- 24oz
- $\frac{2}{8}$ of 32oz

Help box

Imperial and metric measures

- 1 foot- 12 inches**
- 1 gallon – 8 pints**
- 1 inch – 2.5 centimetres**
- 1 pint- 0.56 litres**
- 1 stone- 14 pounds (lb)**
- 1 pound(lb) 16 ounces**
- 1 ounce- 28 grams**

	Greater than 1lb	Less than 1lb
Ounces are divisible by 6 to leave a whole number		
Ounces are not divisible by 6 to leave a whole number		

Which statement is incorrect?

2ft = 24 inches, so 0.2 ft = 2.4 inches.

1 stone = 14 lb, so 2/7 of a stone = 4lb.

4 gallons = 32 pints, so 1 gallon = 9 pints.

Go:

Four children are measuring their heights.

Emma - My height, in whole inches, is greater than 63 inches but less than 163cm.

Mike - My height is $\frac{3}{4}$ that of Emma's.

Sara- My height is 110% of Mike's height.

Kim - My height is at least 2 inches more than Mike's, but at least 5cm less than Emma's.

Write the heights of the children in both centimetres and inches.

Now measure your own height if you are able to! How do you compare to Emma, Mike, Sara and Kim? Write some statements using imperial measurements which compare your height to theirs.

Daily English

Writing to entertain - Midsummer Night's Dream - characterisation:

Using the illustrations below, write words, phrases or sentences to describe some or all of the characters.

You could draw your own versions of the characters or print out the characters you choose and write the words and phrases around them.

Cast of characters

THESEUS
Duke
of Athens

HIPPOLYTA
Amazon
Queen

OBERON
King of
the Fairies

TITANIA
Queen of
the Fairies

PUCK
Mischievous
fairy

**NICK
BOTTOM**
A weaver

EGEUS
Father
of Hermia

LYSANDER
Loves
Hermia

HERMIA
Loves
Lysander

DEMETRIUS
Suitor
of Hermia

HELENA
Loves
Demetrius

Well-being

With your parent's permission click on the link below - 'Breath Meditation for Kids'

How do you feel after it?

Problem of the day

Yesterday's answer:

Today's Problem:

C A T

Anagram Riddles

A C T

Anagrams are words that contain the same letters but arranged in a different order. For example, *act* is an anagram of *cat*. The answers to the clues below are anagram pairs.

Ex)	A part of your body. <i>arm</i>	A male sheep. <i>ram</i>
-----	------------------------------------	-----------------------------

1. A short sleep during the day.

2. An animal that people ride.

3. Something you bake.

4. A place to see art.

5. Another word for jump.

6. An animal that lives in a pack.

7. A dogs feet.

8. A place to wash dishes.

9. The past tense of leap.

10. A sour fruit.

Something to cook with.

The place where land meets sea.

Hair on your face.

Something that makes you sneeze.

Another word for white.

Move like water.

An insect that stings.

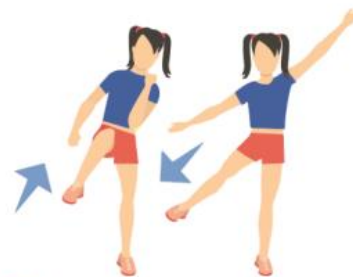

What covers your body.

Something to serve food on.

A juicy fruit.

BRAIN BOOST: 2 MINUTE BLAST

1. Exercise 1: Squat for 30 seconds

2. Exercise 2: Elbow to knee for 30 seconds, then repeat with the other leg

3. Exercise 3: Hands on floor or desk, and pull alternate knees into your chest

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

Home Learning

Please look at your Home Learning grid.
Visit the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.
Please plan and complete these activities throughout the duration of the school closure.

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings. These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.
Also, you can learn the Year 5/6 statutory words that we have provided for you. Concentrate on the spellings that you know you find tricky.
Remember the ways in which we practice them each week in class:

- Writing them forwards and backwards
- Writing the vowels in a different colour
- Write them in a pyramid shape
- Look, write, cover, check
- Each letter could be a different colour
- You could also find out their meaning by using a dictionary.
- Can you write each one in a sentence?

National Curriculum Word Lists

Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Can you write a sentence using the words?

Curriculum Overview

Take time to look at the Curriculum Overview for your year group. This can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> Go to the tab **Key Information**, go down the menu on the left hand side to **Curriculum**, go to **Termly Overview** and click on the one for your year group.
Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.

Useful websites

Please see the useful websites list.

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today

All Year 6 communication to go through this email: 6b@newbridge.bathnes.sch.uk

Please look out for tomorrow's learning, from Mrs Amor and Mrs Button.
