

Wednesday 24th June:

Good morning Year 1. Did you manage to guess the answer to yesterday's riddle? The answer was **The President of America**. Did you know that President John Quincy Adams owned a pet Alligator? He kept it in a bathroom in the East Room of the White House. Today is National Writing Day. I wonder what you might write today. A story, a poem or maybe a quiz! Keep working hard and trying your best!

Daily reading

Today, please read a book of your choice for 10 minutes then spend 5 minutes retelling what you have read and answering questions about it. Please ask an adult to help you with this.

Which word best describes your favourite character in the book you're reading?

Optional online book -

Dinosaur Times - <https://www.oxfordowl.co.uk/api/interactives/29306.html>

Daily counting, number bonds or times tables

Take away.

You will need the number cards from a set of playing cards (or 0-10 cards). Arrange them to make take away number sentences.

Find the answers.

To make it more difficult, double the start number.

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings.

These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

You might like to try making up memorable 'silly sentences' containing the word to help you remember them.

Daily Maths

Today, we are turning objects.

Draw the grid below in your books and complete it.

1. Draw 4 copies of a spider.
2. Turn the spider a quarter turn at a time.
2. Stick it on the grid.
3. (Or print from <https://www.twinkl.co.uk/resource/au-n-603-animals-turning-clockwise-and-anticlockwise-activity-sheets>)
4. Repeat with a cat or a duck.

Start position	One-quarter turn anticlockwise	Half turn anticlockwise	Three-quarter turn anticlockwise	Full turn anticlockwise
				
				
				

If you have an 'ink stamp' this works well instead of making 4 copies of the object E.g. the spider. Print the stamp, turn it, print it, turn etc.

Challenge: Guess what the shape/object will look like before you move the object?
