

Wednesday 24th June:

Hello Year 5. We hope you are all doing well this week. Do you recognise the lady in the photo? One of the books to read in Year 5 this year was, 'A Galaxy of Her Own.' This lady is mentioned in that book.

On this day, America's first woman in space returned safely to Earth in the Challenger space shuttle after a successful six-day flight. Who was she?

Have a good day! Are you ready? You were born ready!

Daily reading

Please read for 30 minutes and then try the challenge below.

Challenge:

Draw a large picture of one of the settings used in the book. Label everything in the picture, using words and phrases from the book. This will support you with knowing whether or not you have understood the language and the author's description.

Daily grammar

We are having a break from times tables today and focusing more on grammar and punctuation.

2. Circle the modal verbs in the sentence below.

'We should leave,' he whispered. 'They could come back at any time.'

.....

3. Underline the relative clause in the sentence below.

We are going to go back to Devon this year, which is where I first learnt to surf.

.....

Now, write a sentence that includes a different modal verb and a relative clause.

Termly Spellings

Please take time to learn spellings for future weeks and to re-visit past spellings. These can be found on the school website at <https://www.newbridge.bathnes.sch.uk/> and go to the tab **Classes** and click on your class.

- nought
- enough
- bought
- toughen
- thorough

You can choose today how you practise your spellings. We are sure you know all the strategies we have been using through all the daily learning sheets.

Daily Maths

Let's start with a problem solving question today and recap on what we did yesterday.

Remember to set your work out neatly and in a systematic way.

1.

Jack's house has 3 pints of milk delivered 4 times a week.

How many litres of milk does Jack have delivered each week?

He uses about 200 ml of milk every day in his cereal. Approximately, how many pints of milk does Jack use for his cereal in a week?

2.

- Dora weighed 7.8 lbs when she was born.
- Amir weighed 3.5 kg when he was born.

Who was heavier, Dora or Amir?
Explain your answer.

Do you know how much you weighed when you were born? Can you work out what it was in lbs and Kg?

We are now moving onto units of time.

Can you answer these questions in your maths book?

How many months / weeks / days are there in a year?

How many hours / minutes / seconds are there in a day?

Can 21 days be written in weeks? Can 25 days be written in weeks? Explain your answers.

Is 0.75 hours the same as 75 minutes? Why or why not?

Complete the conversions.

1 year = months

years = 24 months

years = 60 months

2.5 years = months

3 years 2 months = months

years months = 75 months

Complete the table.

Days	Weeks / Weeks and Days
42 days	
	5 weeks and 5 days
	10 weeks and 5 days
100 days	

Daily English

Today, we would like you to design your own Anglo Saxon buckle/brooch. Jewellery was worn by both Anglo Saxon women and men. Gemstones such as amethyst and amber and glass beads were used to make simple bracelets and necklaces. Women fastened their dresses at the shoulder with a pair of brooches. Men fastened cloaks with brooches and elaborate belt buckles. Gold and silver necklaces were rare and worn by women of high rank.

Think carefully about the colours, the shape and what material it would be made from. Once you have designed your brooch or buckle, we would like you to write a description about it, explaining why you have chosen the design you have.

My buckle is for _____

It will be made using _____

<p>Healthy Me</p>	<p>Working together is great and can be good fun. Today, we would like you to plan a treasure hunt for your family around your house. You could bury the treasure somewhere interesting and then produce a map for the rest of the family to use.</p> <p>If you do it really well you will be able to use it again when you are eventually allowed to have friends around.</p> <p>Ask your family to then bury some treasure for you to find.</p> 
--------------------------	---

<p>Problem of the Day</p>	 <p>Remove 6 crayons to make 10</p>
----------------------------------	--

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

<p>Home Learning</p>	<p>Please look at your Home Learning grid.</p> <p>Visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class.</p> <p>Please plan and complete these activities throughout the duration of the school closure.</p>
<p>National Curriculum Word Lists</p>	<p>Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Use the strategies listed at the top of the page.</p>
<p>Curriculum Overview</p>	<p>Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab Key Information, go down the menu on the left hand side to Curriculum, go to Termly Overview and click on the one for your year group.</p> <p>Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new.</p>
<p>Useful websites</p>	<p>Please see the useful websites list.</p>

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today.

5B :5b@newbridge.bathnes.sch.uk **5H** :5h@newbridge.bathnes.sch.uk

Please look out for tomorrow's learning, from Mrs Bartlett and Mr Handson
