

Wednesday 8th July:

Good morning Ladybird and Bee Class. We enjoyed seeing the pictures of your sundaes, they made us very hungry! Have a fun day of learning.

Daily reading

These activities and ideas are based around the “**Oliver's Vegetables**” series by Vivian French.

Tricky words

Please take time to learn your tricky words.

These can be found in your learning pack that we have sent home.

Concentrate on the words that you know you find tricky and choose a few words to practise each day. Here are some activities you may not have tried yet. Perhaps you could do one a day this week.

- **Spread the tricky words out on the floor. Say a tricky word. Your child has to run and jump on the tricky word.**
- **Put all the tricky words inside a bag. Your child needs to pick one out and read it. If they’re unsure, pop it back inside the bag ready for another try.**
- **Write the tricky word in writing pencil. Then go over the top with coloured pencil. Then with a felt tip pen. Then with a crayon! How many different things can you use to write the tricky word?**
- **Bury the tricky words something like sand, soil, under rice, in slime! Pick one out and have a go at reading it!**
- **Speed Challenge! How many tricky words can you read in 1 minute?**

Daily Maths

Planting veggies!

Oliver has been very busy helping his Grandad to plant vegetables. However...he has forgotten how many he has planted! Help Oliver tell his Grandad how many more he has dug into the veggie patch! Try this with different questions, e.g. First, Oliver planted 3 cabbages, then he added one more, how many does he have now? First, Grandad planted 8 carrots, he then planted one more, how many are there now?

Keep repeating this with different numbers. You could add 2/3 more to make it more challenging or even take some away.

Daily English/Phonics

Revisit: Practise recognition & recall of Phase 2 & 3 graphemes and reading and spelling CVC words:- **yap, yes, yet, yell, six, box**

Teach: Teach writing CCVC words by segmenting the initial sounds – **h-and, g-rip, s-pan, t-rap, s-cot, f-lip**

Practice:

Repeat yesterday’s activity on Phonics Play, or play a different game about decoding words.

Apply:

Have children help a puppet or toy to write the sentence:

Ben and Sam jump over the pond.

Writing:

Let’s pretend we’re making a vegetable soup! What ingredients would you need? Draw the ingredients and label each of them.

Super writers use: **capital letters, full stops, finger spaces, cursive writing!**

Super writers can also use sound cards and tricky word mats to help them.

Healthy Me	In school, we would usually try and plant some cress seeds. It would be great if you could do this at home - all you need is a cup, kitchen roll, cotton wool and cress seeds! Put the kitchen roll in the cup, add damp cotton wool and then sprinkle the cress seeds. Keep an eye on it over the next few days and water it when necessary. Now watch it grow! If you don't have these resources, perhaps you could look after or plant something else.
Daily Challenge	Create a feelings map for your house! Draw a map with all of the rooms in your house on and colour it in. Think about how that room makes you feel - you could put sleepy for your bedroom or safe and snuggly in the lounge.

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

EYFS Word Lists	Look in your Reading Log and find all of the spellings for EYFS. How many of these can you learn? Can you write a sentence using the words?
Home Learning	Please look at your Home Learning grid. Visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab Classes and click on your class. Please plan and complete these activities throughout the duration of the school closure.
Useful websites	Please see the useful websites list.

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today.
