Newbridge Primary School
Year 6 Daily Learning

Wednesday 8th July

Today is Kevin Bacon's birthday – he is in one of Mrs Button's favourite films 'Footloose' – the soundtrack is amazing! Why not have a listen if you can.

Have a lovely day!

Love Mrs Button and Mrs Amor.

| Daily reading | Please read for at least half an hour today. |

Prediction - look at the illustration and answer the questions that follow

Imminent

Where did it come from?

Have the people in the village seen the rock sphere?

What might they be thinking/saying/doing?

What do you think is going to happen next?

Daily Maths

Revision Algebra:

Ready:

Write the expression to complete the formulae

multiply **a** by 4 and add 20		= b
multiply **a** by 3 and subtract 5		= b
add 12 to **a** then multiply by 2		= b
find 3 less than **a** then multiply by 5		= b

Steady:

Find the value of b in these formulae if a=15

$2a + 16 = b$	b =
$3a - 7 = b$	b =
$6(a + 10) = b$	b =
$3(a - 4) = b$	b =

Write the expression to complete the formulae

multiply **a** by 5 and add 25		= b
multiply **a** by 4 and subtract 6		= b
add 10 to **a** and then multiply by 7		= b
3 less than **a** and then multiply by 8		= b

Go:
I input the number 12 into this function machine and the output number is 60.
What could the functions be? How many different possibilities can you find?
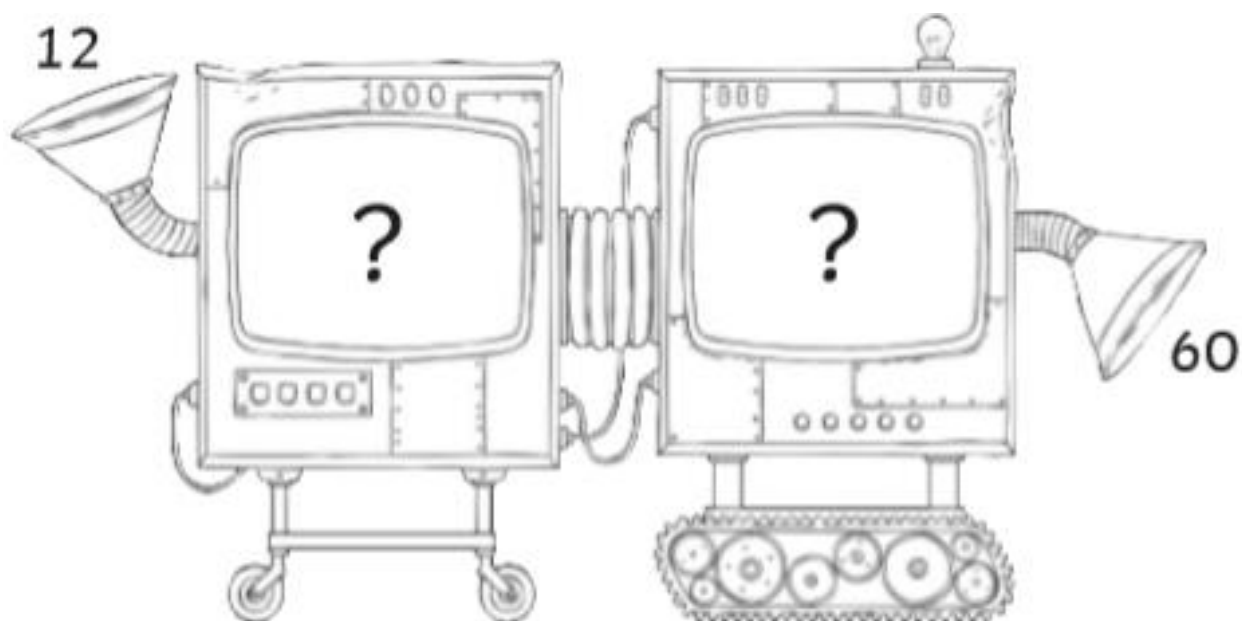

| Daily English	**Writing to Entertain – Dreams** **Graphic novel/Comic** Represent a dream through a graphic novel or a comic strip. Illustrate the main character entering the world of dreams/nightmares. What may they find?
Well-being	Watch '**Catching Kayla'**. Discuss as a family - what challenges did Kayla face? How did she overcome them? How might Kayla have felt? https://www.youtube.com/watch?v=6rZSP9Qqngk
Problem of the Day	**Yesterday's problem –** 40 socks. If he takes out 38 socks (adding the two biggest amounts, 21 and 17), although it is very unlikely, it is possible they could all be blue and red. To make 100 percent certain that he also has a pair of black socks he must take out a further two socks. **Today's Problem:** The day before two days after the day before tomorrow is Saturday. What day is it today?
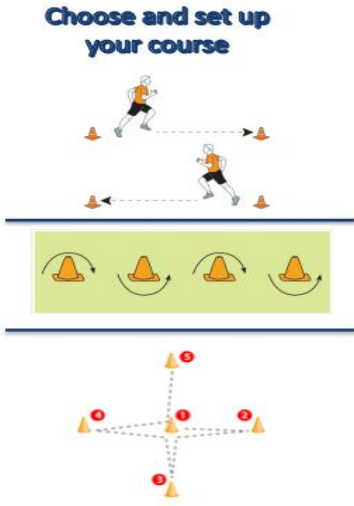

Healthy Me	Choose and set up your course		
		Math Problem	Your answer and Your number of shuttle runs
		Number of days in May minus number of days in February (non leap year)?	
		Number of Kings and Aces in a standard pack of cards?	
		12 degrees colder then 17 degrees?	
		7 degrees hotter then -2?	
		Number of weeks in a year divide by 13?	
		£1 minus 3 x 20p, 5 x 5p and 2 x 2p?	
		The number of minutes difference between 2.57pm and 3.03pm?	
		The highest number you can roll on an ordinary dice minus the lowest number you can roll?	

The activities below are supplementary and can be used to further extend learning opportunities whilst at home.

| Home Learning | Please look at your Home Learning grid, visit the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab **Classes** and click on your class.

Please plan and complete these activities throughout the duration of the school closure. |
|---|---|
| Termly Spellings | Please take time to learn spellings for future weeks and to re-visit past spellings.
These can be found on the school website at https://www.newbridge.bathnes.sch.uk/ and go to the tab **Classes** and click on your class.
Also, you can learn the Year 5/6 statutory words that we have provided for you. Concentrate on the spellings that you know you find tricky.

Remember the ways in which we practice them each week in class:

- Writing them forwards and backwards
- Writing the vowels in a different colour
- Write them in a pyramid shape
- Look, write, cover, check
- Each letter could be a different colour
- You could also find out their meaning by using a dictionary.
- Can you write each one in a sentence? |
| National Curriculum Word Lists | Look in your Reading Log and find all of the spellings for your year group. How many of these can you learn? Can you write a sentence using the words? |
| Curriculum Overview | Take time to look at the Curriculum Overview for your year group. This can be found on the school website at https://www.newbridge.bathnes.sch.uk/ Go to the tab **Key Information**, go down the menu on the left hand side to **Curriculum**, go to **Termly Overview** and click on the one for your year group.

Talk to a grown up at home and decide on an aspect you would like to find out more about. This means that when you come back to school, you will be able to share something new. |
| Useful websites | Please see the useful websites list. |

Well done for trying all of these areas of learning. Please can I ask that your parent sends a few lines in an email to let me know what you have completed today.

All Year 6 communication to go through this email:

6b@newbridge.bathnes.sch.uk

Please look out for tomorrow's learning, from Mrs Amor and Mrs Button.
