

# NPSA Newsletter

## Welcome!

Term 6 is upon us and there are many finish lines in sight. We'd like to say a huge thank you for all of your support this year; what we've managed to achieve as a charity of volunteers has been quite amazing. The sense of community has been really strong throughout the year, as has the incredible fundraising, so thank you for making all of this possible. Let's see what this final term has in store...

## Annual AGM

### Tuesday 2nd July

We'd like to **invite you all to attend the NPSA AGM**, where we'll share our achievements and fundraising plans for the next year, and vote for our committee members. This year, we're looking for some **volunteers to join our trustees committee**. The trustees meet three times a year (usually after an NPSA meeting) to discuss how the charity is being run. This is a very small commitment but a vital responsibility for the NPSA to continue to support the school and therefore our children.

## JLT fundraising

A huge well done to the JLT and their fundraising efforts on Friday 17th June. Not only did they hold a fantastic cake sale, but they also took on the daunting task of washing staff cars! Their determination and dedication is certainly to be admired, and as always, the JLT are a real asset to Newbridge School.

## Colour Fun Run

On **Sunday 19th May 9:30-11am**, the team of **year 2 parents, Laura, Amy, Bex, Hannah, Anna, Annie and Katie** hosted an excellent event, raising almost £1000 in just a couple of hours (minus the time it took to bake all the incredible, edible medals!). The photo alone is enough to put a smile on your face, so you can just imagine (if you didn't already witness!) just how many happy faces there were that morning. This event continues to be a very special one at bringing the community together. A huge thanks to the volunteers and their families for making it happen.

## Library

A massive thanks to Rosie Roche, Sarah and Alex Keep, Nic Gunthorpe, Sarah Thornber, Nicky Taylor and the many children that helped to empty and move the library during the holidays. Thanks to some excellent organisation and heavy lifting, the team, (along with 5 lovely **Good Gym** helpers) managed to move every single book down the corridor to a new, temporary home. This empty space can now be used for class music lessons this term, whilst phase one of the library relocation and renovation is due to take place in the summer holidays.
